

2023-2024 Logic and Rhetoric School Fine Art Fee

Aristoi Classical Academy collects a \$50 fee per student that is used to run and maintain the fine arts programs for each grade level. A partial breakdown of department expenses is listed below to help you visualize how your contribution will be used.

In general, these are the types of needs that your students will have in their classes:

- Consumable art supplies (paper, pastels, paint, clay, etc)
- Art tools (drawing boards, print-marketing materials, etc)
- Large instruments (typically not provided by students)
- Consumable instrument supplies (reeds, oils etc)
- Sheet Music
- Materials to construct costumes, sets and props

More specifically, since you may not be aware of the needs of your child's particular class, please understand that each grade level participates in its own Fine Art course plan.

Fifth Grade : Music and Art – Consumable supplies/materials are needed for both classes.

Sixth Grade: Art History – Art supplies as needed.

Seventh Grade: Music History – Supplies and equipment.

Eighth Grade: Music Theatre- We put on a grand musical funded by Fine Art Fees .

Grade 9th-12th: Each student participates in an elective Fine Art class and fees help to fund the needs of those courses.
