

Dear 5th & 6th Grade Families,

You are cordially invited to Aristoi Classical Academy's annual 5th & 6th grade *Goblet of Apollo Poetry Competition and Tea*! This Memory Maker event is **Thursday, April 2nd, 8:30 AM - 11:00 AM, in the Griffin Center**.

The *Goblet of Apollo* is one of the highlights of the scholars' year and showcases memorization, theatre, and oratory skills all while exhibiting the truth, goodness, and beauty the scholars study throughout the year. Scholars and educators are working diligently to prepare their presentation of their class poetry recitation and individual bards have been selected to represent their homeroom. 5th & 6th grade scholars all compete to win the Goblet for their class.

The 5th & 6th grade scholars need your help in making this event successful! Please sign up to set up and decorate or to serve tea and treats. Volunteers will be in the room and will not miss any of the scholars' performances. Please sign up using the link on google classroom.

Parents, family, and friends (no siblings, please) are invited to this spectacular poetry competition. Please register in advance to pick up your nametag in the Griffin Center and avoid the line in the front office. Pre-registration is available on google classroom.

*Please note that parking is limited; carpooling is highly recommended.

As this is a formal occasion, scholars and guests are encouraged to dress in tea party attire. Scholars who choose not to dress up must follow standard school dress code as a minimum. Some classes may choose to coordinate their dress for their performance. If you have any questions, I am happy to clarify.

Thank you for supporting our 5th & 6th grade scholars. Please contact me if you have any questions.

Best Regards,

Kelly Garrison
