*I understand that this is a community supported venture and that, although the farmer is committed to the best of his ability to produce high quality produce, there are risks in agriculture (mother nature's whims) that need to be shared with the whole community. I understand that my full payment entitles me to a weekly share of the produce harvested by Stone Gardens Farm during the growing season. I understand that full payment of my CSA share is due by the start date of the season, I agree to pay a \$20 late fee unless a payment plan has been previously agreed upon. I understand that failure to pick up my share during the set pick up times without 24 hour prior notification to the farm will result in the loss of my share for that week.*
