

**Kevin Illingworth, Classique Worldwide**  
**Transportation**  
**West Region Candidate**

**Bio:**

I started Classique Limousines in February of 1990 with 1 car and have grown my company to 27 vehicles. I have set up fundraisers for different associations and most successfully raised over \$100,000.00 for the GCLA with a Poker tournament to help fight the TNCs and other legislation that has come down the pipeline. I have been very active in my community and try to help others when requested, (such as supplying cars gratis when there is a tragedy of some sort within our community.)

**Reasons for Wanting to Serve on the NLA Board:**

The ability to help my fellow small to medium size operators has been enriching. I have served on the scholarship program and been part of the process of introducing operators to the NLA and what we have to offer them. I have been on the Charity committee as a Co-chair and this year as a committee chair. I look forward to continuing my hard work as representative of the NLA to make sure that every operator is heard and given a chance to succeed. My ultimate goal would be to put our industry on a equal platform with other transportation industries so we can all thrive. I believe that what I have gone through this past year and a half to reinvent myself and my company I can share with our membership to make them better operators. The NLA is such a great Association for operators to better themselves and their ability to succeed, I look forward to having the ability to continue to be the West Coast representative.
