

## **Charlie Murray, Total Transportation**

### **Central Region Candidate**

#### **Bio:**

As Vice President, COO of Total Transportation, a highly-respected, family-owned business based in St. Paul, Minnesota, I bring the lessons and best practices from the past 27 years - my family and our dedicated employees built Total Transportation into the largest and most diverse fleet of chauffeured luxury ground transportation in the Upper Midwest. We did this by leveraging and collaborating with other ground transportation businesses, contributing to the success of all operators in our market.

#### **Reasons for Wanting to Serve on the NLA Board:**

I enjoy helping others and giving back to the industry. Our industry will see greater success when people work together openly, creatively and with integrity. This approach goes beyond the doors of our individual businesses. As a trusted and respected relationship builder, I will ensure we all succeed when we share knowledge, best practices and experiences and rally together to stay competitive, build business and our industry.
