

Cederic Schonbaum

International Candidate

Bio:

I started my own chauffeur driven company in 1988. Was one of the first to offer chauffeur driven luxury vans , stretched limousines and armoured cars, all equipped with cellphones, a combination that then nobody had. Speaking English, German and French my business grew faster then the competition.

In 2014 I was the first one to convert diesel cars to run on LPG/CNG en make them ecofriendly Always looking for innovation and new techniques to improve business.

Reasons for Wanting to Serve on the NLA Board:

I want to serve on the board to see if I can enhance the relationship between the USA chauffeur driven companies and the companies in the rest of the world and provide the support so all can benefit.
