Heating and Air Conditioning Services

- Make Up Air Units
- Heat Pumps
- Fans
- Condensers
- Cooling Towers
- Air Handlers
- Chillers
- Hydronic Boilers
- Pumps
- Heaters
- Computer Room AC Units
- Heat Exchangers
- Tanks, Valves & Separators
- Refrigeration Equipment
- Humidification/Dehumidification
- Terminal Units
- Control Systems

Plumbing and Piping Services

- Backflow Testing & Repairs
- Drain Cleaning
- Hydro Jetting
- Pipe Video Inspections
- Ultrasonic Leak Detection
- Plumbing Repairs
- Piping Repairs
- Domestic Boilers
- Water Heaters
- Grease Separators/Traps
- Roof Drains
- Parking Lot Separators
- Plumbing Fixtures
- Leak Locating
- Underground Pipe Locating
- Pump Repairs and Replacements
- Medical Gas Piping
- Combustible Gas Detection
- Pipe Thawing
- Pipe Freezing
- Pressure Testing

Preventive Maintenance

- Air Conditioning
- Heating
- Plumbing Systems
- Plumbing Fixtures
- Fire Protection Systems
- Electrical
- Piping
- Process Equipment
- Compressed Air & Vacuum Systems

Predictive Maintenance

- Dynamic Motor Circuit Analysis
- Static Motor Circuit Analysis
- Shock Pulse Bearing Analysis
- Vibration Analysis
- Ultrasonic Detection
- Infrared Thermography
- Laser Alignment

Proactive Maintenance

- Energy Audits
- Active Energy Monitoring
- Energy Assessments
- Energy Benchmarking
- Indoor Air Quality Testing
- Energy Rebates
- Motor Efficiency Upgrades
- Water Usage Audits

Fire Protection Services

- Wet Pipe Systems
- Dry Pipe Systems
- FM200 Systems
- Pre-Action Systems
- Sprinkler Confidence Testing
- Smoke Control Testing
- Fire Pump Testing & Repairs
- Emergency Lighting
- Fire Extinguishers
- Fire Alarm Systems
- Alarm Monitoring

Equipment Replacement Services

- Unit Retrofits & Replacements
- Duct Revisions
- Efficiency Upgrades

Service Capabilities

Electrical Services

- UPS Systems
- Generators
- Power Distribution Units
- Automatic Transfer Switches
- Transformers
- Motor Control Centers
- Circuit Breakers
- Cathodic Protection Systems
- Line Voltage Wiring
- Low Voltage Wiring
- Audio/Visual Systems
- Network Cabling

Facility Operations

- Part-time Facility Engineers
- Full-time Facility Engineers

Specialty Services

- Bearing Replacements
- Air Balancing
- Temporary Cooling, Power & Air
- Dynamic Balancing
- Shaft Repairs
- Concrete Work
