

# Southern California Resource Services for Independent Living

## Empowering the Disability Community Since 1979

## Bringing Education and Resources to the Community

### No-Cost Workshops Available

**Education Service** – We provide in-and-out of classroom supports with immediate tutorial intervention supports to ensure success in the college coursework with an outcome of achieving an associate degree in the degree paths available within the college called Educating Disability Groups through Education (EDGE).

**Employment Services** - designed to assist individuals with mild to moderate developmental disabilities in obtaining either employer paid jobs or paid internship experience.

**Social Security (SSI/SSDI)** – Come learn how to qualify and utilize Social Security Programs and benefits such as CalABLE, Medicaid, and more.

**Deaf and Hard-of-Hearing Cultural Competency Workshop/Learning Basic ASL** – This workshop is to learn how to interact with Deaf and Hard-of-hearing Individuals in the community, school, and business setting. Attendees will learn cultural differences, assistive technology, and basic American Sign Language.
