

The Nease Athletic Department will continue to use an online paperless registration system but will be transitioning from RegisterMyAthlete to **AthleticClearance.com** (see direct link to this site on the Nease Athletics Webpage at NeaseAthletics.org). The registration process is similar, and directions are included below. Our expectation is that every athlete will be registered by their parent/guardian **before their desired sport's start date** (see dates below).

Please ensure the following when completing the online process:

1. Student ID should be entered WITHOUT a preceding "S". Numeric ID only!
2. Scan and upload physical as ONE document.
3. Ensure that student information is complete at the top of page 2 on the physical.
4. Ensure that the MD has checked "cleared without limitation" AND signed and dated page 2 of the physical.

Please keep in mind that the FHSAA requires all student athletes to view free video courses on concussions, heat illness, and sudden cardiac arrest (see instructions below). Signatures on the EL3 form indicate that your athlete has viewed these three video courses.
