### Monday

#### **PK Mindful Movement**

Grades: **PK**

Time: 3:45-4:30 (45 minutes)

A preschool mindful movement class inspired by the fun, imaginative, and intelligent minds of children. This class is based on the most recent research on the benefits of mindfulness in children and infused with music, breathing, books, sensory exploration, and FUN! Our class is an equal balance between active and passive poses and incorporate song, dance, and time for sharing, reflection, and relaxation.

11 class sessions: First class September 12, last class December 12. **\*\*No class October 17, October 24, November 21\*\***

Cost: \$317.00

Led by Kara-Lee (Space Between)

#### **Beat Making**

Grades: K-1

Time: 3:30-4:30

Beat Making for Kids is a great way for children to have an introduction to songwriting. Playing with a DAW (Digital Audio Workstation) gives kids a "birds-eye-view" of the songwriting process to help them see what makes a song. Kids dive deep into learning rhythmic structure by using gridded pattern sequencers and moving colorful blocks of sound around to craft their own musical masterpiece! Together with guided "dance parties," this class promotes fun and active musical learning with piano keyboards, buttons, and knobs - great for finger dexterity.

11 class sessions: First class September 12, last class December 12. **\*\*No class October 17, October 24, November 21\*\***

Cost: \$355.00

Led by Jade Jiaxue (Afterschool Audio)

## **Dramaroos**

Grades: K-2

Time: 3:30-4:30

Seattle Dramaroo classes teach children the fundamentals of leadership and how to express themselves freely. During drama class, each student will be able to explore the patterns of group dynamics and be introduced to new social skills through engaging with other children in a creative manner. Our classes include drama games, exercises, and activities that create an enjoyable environment while also encouraging inventive thinking.

11 class sessions: First class September 12, last class December 12. **\*\*No class October 17, October 24, November 21\*\***

Cost: \$329.00

Led by Seattleroos (Instructor TBD)

## **Capoeira**

Grades: 2-5

Time: 3:30-4:30

A Brazilian martial arts class that combines elements of dance, acrobatics, and music. Each class is based on 3 principles of learning skills, Focus, Discipline, and Respect.

11 class sessions: First class September 12, last class December 12. **\*\*No class October 17, October 24, November 21\*\***

Cost: \$317.00

Led by Emily Chao (Washington Capoeira Center)

## **Bricolage (DIY Construction)**

Grades: 3-5

Time: 3:30-4:30

Learn the tools of the trade with Damien in the DIY/Bricolage! Build, drill, screw, fix, saw, measure... Hammer, nails, tools, screwdriver... DIY/Bricolage is there to teach you how to create things! Students will learn about tool safety and enjoy a fun environment to build things with friends.

12 class sessions: First class September 7, last class December 14. **\*\*No class October 19, November 2, November 23\*\***

Cost: \$275

Led by Damien Majorczyk (FASPS Faculty)

## Board Games with Blandine

Grades: 3-5

Time: 3:30-4:30

**New!** Stop scrolling here and sign up your child for this fun board games class! This is a great opportunity to practice French, build skills and make new friends! Blandine's selection of exciting and educational games involve strategy, imagination, logic, and agility!

11 class sessions: First class September 8, last class December 15. **\*\*No class October 20, November 24\*\***

Cost: \$275

Led in French by Blandine Veyret (FASPS Faculty).

## Tuesday

### Little Coders

Grades: K-2

Time: 3:30-4:30

Our Little Coders class is an opportunity for young children to develop their computational thinking skills, build their first programs, and have fun with new friends! The curriculum is designed specifically for early readers and takes into account cognitive abilities as well as the attention span typical for ages 5-7. We use age-appropriate online tools, including Lightbot, Kodable, and Scratch to introduce basic coding skills. After the class, students will be able to share their projects with family and friends and continue programming at home with their Coding with Kids Scratch account.

11 class sessions: First class September 13, last class December 13. **\*\*No class October 18, November 1, November 22\*\***

Cost: \$317.00

Led by Coding with Kids (Instructor TBD)

### Creative Dance

Grades: K-3

Time: 3:30-4:30

**New!** Join Tiffany Bierly from the Creative Dance Center for a dance class that supports joyful self-expression! Students explore the patterns of the BrainDance, dance concepts such as Energy, Rhythm, and Pathways, and practice movement skills. Rolling, swinging, leaping, jumping, turning – creative dance builds a foundation for body awareness, coordination, and motor development! Social-emotional skills are strengthened as dancers collaborate to create dances using the building blocks of choreographic forms. Students take an active role in their own learning to become skilled dancers and choreographers in this class that celebrates personal uniqueness.

11 class sessions: First class September 13, last class December 13. **\*\*No class October 18, November 1, November 22\*\***

Cost: \$284.00

Led by Tiffany Bierly (Creative Dance Center)

## **Arts & Crafts Party**

Grades: K-5

Time: 3:30-4:30

We will celebrate creativity this session with more supplies and less structure (think process art)! Join us each week to create a complete project with trendy techniques in a social setting. This session we will make axolotl shrinky dinks, painted ceramics, a mixed media canvas project and so much more.

11 class sessions: First class September 13, last class December 13. **\*\*No class October 18, November 1, November 22\*\***

Cost: \$342.00

Led by Elizabeth Chapman (Trendy Crafts)

## **Music Production**

Grades: 2-5

Time: 3:30-4:30

Have you ever wanted to make your own music like the professionals? In this exciting hands-on class, students will dive into music-making the fun way! Using state-of-the-art music production equipment and a digital audio workstation on the computer, students will learn the ins and outs of music recording & production with their own private in-school digital music studios. Through creating their very own musical masterpiece, students learn basic music theory, simple chord structures, and rhythmic patterns. They can record real instruments or have thousands of software instruments and audio samples available in just a few clicks. By the end of each term, students will bring home soundtracks that they made from scratch or DJ remixes built on existing samples!

11 class sessions: First class September 13, last class December 13. **\*\*No class October 18, November 1, November 22\*\***

Cost: \$355.00

Led by Jade Jiaxue (Afterschool Audio)

## **Mindful Movement**

Grades: 3-5

Time: 3:30-4:30

Mindful movement is based on Yoga, Tai Chi, Qi gong, and dance. Through present moment awareness, we will explore ways to build healthy friendships, have courageous conversations, and learn important

boundary-setting skills. Woven throughout each class will be fun improv games and time to slow down and just BE.

11 class sessions: First class September 13, last class December 13. **\*\*No class October 18, November 1, November 22\*\***

Cost: \$317.00

Led by Kara-Lee (Space Between)
