

Summer Programs at FASPS Cancellation Policy

At time of registration, a non-refundable registration deposit equaling 10% of total camp tuition due is collected. Registrants have the option to pay the balance at time of registration or to have the balance automatically authorized for payment across two installments to be paid on April 14 and May 15, each. All camp fees must be paid in full by May 31, 2023.

All requests to cancel registration must be received in writing. Please allow 3 business days to process cancellation requests. Requests to change or cancel your summer programs registration should be sent to Summer@FASPS.org.

Registration Cancellation Prior to Camp Start Date

If you choose to cancel or leave a camp session:

On or before May 31st: 90% of camp tuition will be refunded, 10% registration deposit is non-refundable.

June 1st up until the start of camp session: camp tuition is non-refundable.

Registration Cancellation After Start of Camp

After the camp session has begun, if an illness, unforeseen circumstance, or hardship causes a camper to miss two or more days of camp, FASPS will decide on a case-by-case basis whether to refund the per diem camp fee for missed days of camp. FASPS is unable to offer refunds for a single or partial missed day. Please note that non-disclosure of medical, psychological, or behavioral challenges may result in a child being sent home from camp mid-week without refund.
