FAQ

Does my camper need to be fully potty-trained?

- At this time, all campers must be fully potty-trained -- this includes not using pull-ups. For current FASPS families whose camper is not yet 2-1/2 years old, we are looking into ways to welcome your student(s) this summer and will share updates when we can.

Is Camp des Lucioles staff the same as FASPS school-year staff?

- Yes and no. Most of our summer programs staff are current FASPS faculty members, but some staff members do come from the outside community. These individuals have gone through a rigorous hiring process and meet all of our requirements and standards for excellence.

How do I know which group is right for my Lucioles camper?

- Camp des Lucioles groups align with FASPS school-year preschool levels, which are based partly on age, and partly on certain milestones like school or daycare experience.
