

Craig Trout
Vice President
Revenue Cycle Solutions, LLC
ctrout@revenuecyclesolutions.com

Mr. Trout is a highly experienced C-suite executive with hospitals, managed care organizations, physician billing and practice management companies, and consulting firms. His 30 years of experience include entrepreneurial start-up entities through large corporate environments within the for-profit and non-profit sectors. Mr. Trout has extensive experience as Chief Financial Officer and Administrator of several hospitals, and capital market expertise with tax exempt bond issues and merger/acquisition transactions. He has also provided medical management and cost containment services to third party administrators and reinsurance carriers. Mr. Trout is a graduate of Point Park University, with an MBA from the University of South Florida.

Affiliations: Fellow, Healthcare Financial Management Association, Adjunct Associate Professor, Carnegie Mellon University
