

Paul is a Senior Manager in the Pittsburgh, Pennsylvania office of HBK and the Regional Director for HBK Healthcare Solutions in the Midwest Region. During his career, Paul has provided financial statement audits, Medicare and Medicaid cost report preparation and reimbursement consulting services for senior living organizations, hospitals and health systems throughout the country.

Paul has more than 21 years of experience, including helping clients find practical solutions for new accounting issues as well as with Medicare and Medicaid regulations affecting client operations. Prior to joining HBK, he was the Executive Director of Finance at Butler Health System. Paul is both a Certified Healthcare Financial Professional and Certified Specialist Accounting and Finance through Healthcare Financial Management Association.
