Meet **ZACHARY FOWLER**, a boat builder from Appleton, Maine, as he tells of being alone in South America as a contestant on TV's History Channel Season 3 program, "*ALONE*." Fowler endured longer than all the other contestants to win the \$500,000 **GRAND PRIZE!** He took ten chosen items for this survival test, lost 75 pounds in the grueling days of isolation, and will amaze you with the story of his adventure.
