

The Bishopswood Experience

Bishopswood is magical and this doesn't happen by chance. We are committed to making sure your child has an experience at Bishopswood that they can't get any place else. We call this the Bishopswood Experience. What does it entail?

At Bishopswood, they are going to forge deep connections with new friends—friends they will have for a lifetime. They are going to learn new skills, take a break from technology, step back in time, and just *be a kid*. This is our promise to you. It means your child will grow from their experiences here. Camp is magical, and we want every child possible to experience it!

Three-Tier Pricing System

All kids need the opportunity of camp, and our tiered pricing is one of the ways we strive to get more kids outdoors, active, and of course, have ridiculous amounts of fun! Realizing that families have different abilities to pay, Bishopswood is offering a voluntary three-tier pricing schedule. You may choose the tier that is most suitable for your family. It is a "free-will" system; you pick the level that is comfortable and affordable for your family.

The choice is entirely yours and *in no way* influences your child's experience at Bishopswood.

TIER 1	TIER 2	TIER 3
Our low subsidized rate. If you are unable to pay all of this, please apply for a scholarship.	This is the true cost of camp. This is what it costs Bishopswood to provide one week of camp for your child.	Would you be willing to assure that Bishopswood will be here for future generations?*
Youth Camp \$530	Youth Camp \$574	Youth Camp \$661
Session 1 \$2,120	Session 1 \$2,298	Session 1 \$2,643
Session 2 \$1,590	Session 2 \$1,723	Session 2 \$1,982

* This rate will allow us to further develop our staff, perform much-needed upgrades and maintenance to our facilities, and ensure that Bishopswood will continue to be the best camp ever.
