

# COMPASSION CAMP: BE LOVED. BE KIND. BE YOU.

In light of the COVID-19 pandemic, Illustrated Ministry is launching its first at-home/virtual VBS program, **Compassion Camp: Be Loved. Be Kind. Be You.** This program is extremely flexible, adaptable, and fun for the entire family. Church leaders can lead as much or as little content as they would like online (whether led live via Facebook Live or Zoom or by sending/uploading recorded videos); otherwise, it can be led at home by grown-ups.

The theme is **compassion for others, ourselves, and the world.** This at-home/virtual VBS is geared toward K-5th graders, *plus activities specifically for preschool-age children.* It could be run as a traditional 5-day VBS program or spread out over a few weeks for a more extended program.

Whether you prefer less screen-time or enjoy connecting online; whether you live in an apartment in the city or have a back yard; we've created this VBS program to meet a variety of contexts and needs. **Learn more here:** [illustratedministry.com/vbs](https://illustratedministry.com/vbs)
