AERO FIRE REPOPULATION

CALAVERAS COUNTY

Evacuation Warnings: CCU – 147-F, CCU – 152-B, CCU – 153-B, CCU – 156-B, CCU – 157-A, CCU -168-B

Evacuation Orders: All Evacuation Orders have been lifted in Calaveras County.

Road Closures: All road closures have been lifted.

The public is reminded to stay vigilant on current fire conditions. Please continue to adhere to road closures and any evacuation warnings. A reminder to drive slowly and yield to emergency personnel in the area. There will still be smoke in respective areas as firefighters continue operations. Do not enter Red Tagged structures, they are not safe. If at any time you feel unsafe, call 911.

Coming home after a wildfire can be difficult. When a wildfire burns through an evacuated area, we take many things into consideration before allowing residents to return. Trees, brush, power lines and utility poles may have become weakened by the fire, and they need to be cleared. Crews continue to check for gas leaks, as well as any burning material that may need attention prior to allowing residents to return. Please refer to our website for assistance.
