

Transition and Onboarding Program Solution

Let us help you be successful!

- Our experts have over 50 years experience in Nursing Professional Development including transition to practice, orientation and onboarding programs.
- We help you design structures and processes that address program development, competencies, standards, and incremental progress for robust transition and onboarding programs.
- We address transitions depending upon the participants starting point: new graduate, new to the organization, or current employee transitioning to a new specialty area.
- Return on investment (ROI) is seen in increase in 1st year retention rates.
