

MAGNET® PROGRAM DIRECTOR (MPD) COACHING AND MENTORING

It is difficult, if not impossible for organizations on a Magnet ® journey to find an experienced Magnet® Program Director. With coaching and mentoring, nurses who have longevity in an organization, and are involved in organizational decision making make great MPDs.

Coaching and Mentoring Deliverables:

One-on-one sessions with MPD tips on:

- How to get started
- How to get organized
- Requirements for a successful journey including structure and process development
- Preparing for the document-interpretations of Organizational Overview and SOEs
- Getting ready for the DDCT®
- Data preparation
- How and when to get staff involved

Delivered in a variety of methods including:

- One-on-one sessions
- Conference calls
- Emails

Agendas created in collaboration with needs of MPD.

At Creative Health Care Management our consultants have many years of experience with coaching and mentoring new MPDs. We know what it takes to lead a new MPD through the process because we have been through the process ourselves. We are passionate and prepared to mentor and coach your new MPD.

Organizations that partner with us have a 100% success rate achieving Magnet® designation and redesignation.
