

We give to help provide counseling to **more** individuals and families.

We give to help provide **more** transportation services to older adults who need it.

We give to provide **more** educational toys, books and support to help children prepare for school.

We give to help provide **more** career assistance to support jobseekers

We give to support **more** Food Security Initiatives.

We give because together we can do more.

Help us do more.

Individualized care with boundless compassion

Every year Jewish Family and Children's Service of Minneapolis provides programs, services and support to thousands of people of all backgrounds and all ages. We're proud of how much support we provide, but that doesn't mean we can't do more – in fact, we'd love to do more. And we can – with your support.

♥ Here for all. *Always.*®
