

PSAT: YOUR EFFORT MATTERS

One Test. Real Consequences. Real Opportunities.

DON'T LET LOW EFFORT CREATE HIGH CONSEQUENCES

Your PSAT score helps make important academic decisions.
Make sure it reflects your ability, not your effort level.

SHOW WHAT YOU KNOW

The PSAT is Fulton County Schools' academic screener for 9th and 10th grade students.

OPEN MORE DOORS

Strong scores can support advanced coursework, college readiness, and future opportunities.

GET ACCURATE PLACEMENT

Your effort helps teachers and counselors understand your strengths and potential.

POOR PERFORMANCE MAY LEAD TO:

- Additional assessments
- Academic intervention programs
- Support services
- Extra coursework

WORK HARD NOW

A serious effort today can help prevent unnecessary requirements later.

FINAL MESSAGE

Give your best effort.
Make your score reflect your potential.
