SETTING UP YOUR SCHOOL LAPTOP

Set up Wi-Fi

Choose FCS WIFI 2

Username: Your FCS e-mail address (ex: 2000012345@fcstu.org)

Password: The default password is your 8 digit birthday (MMDDYYYY). If you have changed your password, then it may be different. This is will be the same password that you use to log in to Infinite Campus and Classlink.

Hit "connect" and once it shows connected, hit "next" (bottom right corner)

Wait for several minutes; the computer will eventually restart, and you'll see the following:

"Welcome to Fulton County Schools"

Set up OneDrive

Now, type your e-mail address again and password again (see above).

Accept the Acceptable Use Policy by clicking "accept."

You will then wait for Fulton County to sync your One Drive and set up your computer. At this time, don't type, click, or close your computer. It will take a few minutes.

DO NOT close your computer (it will be syncing for several minutes) until YOUR classes in Microsoft Teams appear on your screen (you will not need to open Teams, it will happen-slowly-without prompting).

Later, before you leave the building and after using it for several minutes, please restart the computer so that any more updates may be applied to the device.
