

Making The Holidays Happy For Sick Kids At Children's Hospital

Collecting the following unwrapped items:

- PG or G rated movies
- Children's books or coloring books and crayons
- Stuffed Animals
- Children's toys

New items only please.

PLEASE donate to these sick children, as our family knows personally how hard it is to be in the hospital over the holidays. These gifts truly help to make the family's holidays much brighter during a very sad time.

We will be collecting items from November 11th through December 20th.

Collected items can be dropped off in rooms 3310, 1273, and 3201.
