

3. INDEPENDENT COMPLETION OF DIGITAL CITIZENSHIP TRAINING (INCLUDING THE ONLINE ASSESSMENT) BY MONDAY, SEPTEMBER 10, 2018:

NEW THIS YEAR

ALL students are responsible for INDEPENDENTLY completing the Digital Citizenship (DC) online training and assessment, via the Schoology platform, using their Fulton County Schools Student email (StudentID@fcstu.org) as the Username (EX: 1100111111@fcstu.org). Directions for this process will be made available on the Milton High School website and included in the Eagle Update after devices are deployed on Information Day, 8/2/18.

Additional DC support will be provided in the Media HUB by the Milton High School Tech Eagles and Media and Education Technology Instructor. Students are welcome to visit the Tech Desk, in the Media HUB, during their assigned LUNCH PERIOD, for assistance with Digital Citizenship training and assessment.

Failure to complete the INDEPENDENT Digital Citizenship Course/Assessment by Monday, 9/10/18 will result in the LOSS of Microsoft Surface privileges.

Please Note Device Deployment needs to come PRIOR to Digital Citizenship therefore I recommend that the information below go out in the Eagle Update AFTER 8/2/18 (but before 8/6/18). Additionally, it should be posted on the FRONT page of the MHS website, Media HUB website and to be made into posters hung in Media HUB/Front Office and Cafeteria.
