

# Milton High School

## Summer School Options 2018-2019

**Summer School for Face-to-Face, Fulton Virtual, and Georgia Virtual Registration will open soon!** Summer School is an opportunity for high school students to **accelerate** or **recover** credits during summer. Face-to-Face facilitation and at home virtual offerings exist. Summer sessions are condensed versions of content provided during the school year.

**Students must have their course requests approved by their counselor before being enrolled in summer school.**

**NOTE:** Verification Forms/Course Requests will not be updated to reflect the replacement course for students taking summer courses required for graduation or to advance. 2019-2020 schedules will be changed when counselors return from summer break and confirm that the student passes their summer course.

- **Face-to-Face Facilitation:**

- Hosted at **Milton High School**
- A subject area teacher serves as the facilitator for the course and the content is completed online. Face-to-Face facilitation provides a designated time, location, and the technology needed for students to complete courses.
- All EOC courses (9<sup>th</sup> Lit, 11<sup>th</sup> Lit, Algebra 1, Geometry, Biology, Physical Science, US History). Economics and Personal Fitness are available for students who need to repeat the course or take it for the first time.
- For students who want to accelerate, the only courses available to take for the first time in the face-to-face setting are Economics and Personal Fitness.
- Students are only allowed to take ONE content area during Face-to-Face Summer School.
- **Students who have previously failed a course (recovery) may take up to two credits at no cost**, but for Face-to-Face Summer School it must be in the same content area - or a student could take one content area through Face-to-Face and do a different content area through Fulton Virtual School.
- Students who are taking a course for the first time (accelerating) will not be able to do so through Face-to-Face Summer School, unless it is Economics or Personal Fitness. Those are the only options for first-time courses in-person. **The tuition is \$225 per 0.5 credit (\$180 per 0.5 credit for students approved for free/reduced lunch).**
- Course dates are **June 10th - July 12th**. Personal Fitness will only meet June 11th - June 28th. All EOC testing occurs July 11th - 12<sup>th</sup> at Milton High School.
- School will be closed July 4th through July 5th for Independence Day.
- **Late Registration: June 3rd - 7th. Face-to-Face students will be able to register in person at Milton High School during this window. Students will not be able to register for classes that are already full.**
- For more information and to register for Face-to-Face courses, please visit:  
<https://www.fultonschools.org/Page/7229>

- **Fulton Virtual:**

- Available for recovery or acceleration
- All content is completed online at home
- Students who have previously failed that specific course(s) are eligible to take up to two credits at no cost.
- Students who are taking a course for the first time (accelerating) must pay tuition at the rate of \$225 per 0.5 credit (\$180 per 0.5 credit for students approved for free/reduced lunch).
- Course dates and times are **June 3rd – July 12th**. EOC testing occurs July 11th – 12th at Milton High School. School will be closed July 4th for Independence Day.
- **Deadline is June 1st and Late Registration is June 3rd - 7th.**
- There are strict completion benchmarks for online summer courses. If a student is not making adequate progress they will be dropped from the course with no refund:
  - 33% complete by 6/16 at 11:59PM
  - 50% complete by 6/23 at 11:59PM
  - 67% complete by 6/30 at 11:59PM
- For more information and to register for Fulton Virtual courses, please visit: <https://www.fultonschools.org/Page/7229>

- **GA Virtual:**

- Registration opens April 15th
- Available for recovery or acceleration
- All content is completed online at home
- Both students who have previously failed a course(s) and students who are taking a course for the first time (accelerating) must pay tuition at the rate of \$250 per 0.5 credit if choosing to go through GA Virtual.
- **Course dates differ from the Fulton County Summer School program. Visit the link below for more information.**
- For more information and to register for GA Virtual courses, please visit: <http://www.gavirtualschool.org/>

**\*\* We advise students to only attempt 0.5 or 1.0 credit of summer courses. \*\***

- 1 semester long course (0.5 credit) requires about 3 hours of work a day
- 1 year long course (1.0 credit) requires about 6 hours of work a day
- Expect 6 to 9 hours of work a day if your student enrolls in an accelerated math course

**\*\*Other Important Information\*\***

Please also note that for high school students there are specific promotion requirements which are based on the number of credits a student has earned. Promotion requirements for each grade level are below.

- Students must have at least 5 credits by the end of July to be promoted to 10th Grade
- Students must have at least 11 credits by the end of July to be promoted to 11th Grade
- Students must have at least 17 credits by the end of July to be promoted to 12th Grade

Promotions are not made in the middle of the school year unless the student is graduating that year (e.g. May 2020).
