

## Milton High School Candidate Statements (Spring 2019)

### TARA SPOLAN

My name is Tara Spolan. I have a rising Milton High 9<sup>th</sup> grader and a rising 7<sup>th</sup> grader at Northwestern Middle School (NMS). I have been actively involved in the school community since my oldest started school. In addition, I co-lead a Cadette Girl Scout Troop, and volunteer at the Milton City Library. I began my volunteer time as a room representative and quickly joined the Executive Board of the CCES PTA culminating in the role of co-President. After 5 years on the PTA, I decided to use my experience and knowledge of the school system and run for a position on the initial Student Governance Council (SGC) at CCES. As a part of this team, I helped form our first 3-year Strategic Plan. As a team, we worked on our Request for Flexibility and Seed Fund grants money. My SGC experience continues. I am currently at the end of my term as the elected parent member of the NMS SGC. I hope to transition to the Milton High School SGC to continue to work for our students to provide them with the best possible education. I am currently on the Superintendents Parent Advisory Council and hope to continue this role if elected to the SGC. I would greatly appreciate your vote so that I may continue to be a voice for our community. Thank you for your consideration.
