**On Thursday, April 18 during class, your student will receive a paper notification of testing time(s) and location(s). This information will also be sent to their Fulton County email which can be found by going to ClassLink, then Microsoft Office 365, and then choosing Outlook.**

If your student does not receive their testing location through the paper notification or cannot locate the email, then there will be staff near the front office on their test day that will be able to tell them where to go.

### **MILTON'S EOC TESTING PROCESS:**

**Please read below to understand how Milton will administer the EOC exam:**

- Students who are required to take an EOC MUST report to school by the regular start time of 8:20AM.
- Students who do not have an EOC scheduled on designated testing days, but use a Fulton County School bus as transportation to school, MUST adhere to the following process:
  - Board their bus at the **REGULARLY DESIGNATED PICK-UP TIME** and, when they arrive to school, report to the cafeteria (extended study hall) until the testing window is completed.
- Students who do not have an EOC scheduled on designated testing days AND are able to provide their own transportation, MUST report to school no later than the following times:

**Monday, April 22 - 11:50AM**

**Tuesday, April 23 - Regular School Day report at 8:20AM**

**Wednesday April 24 - 10:35AM**

**Thursday, April 25 - 11:50AM**

**Friday, April 26 - 10:35AM**

**Students who are testing will be using their Fulton County issued laptop for testing.**

- Students need to make sure that their devices are FULLY CHARGED each day.
- Students need to make sure that the “DRC Insight Online Assessment” and “PrepTool\_2024” programs are present in the testing folder on their desktop. They should have checked this with their EOC teacher during school this week.
- If your student does not have the “DRC Insight Online Assessment” and “PrepTool\_2024” programs in the testing folder on their computer’s desktop, please have them restart their computer at school and log in. It should download to their computer within 20 minutes while being left turned on with the lid open. The student’s computer must be on one of the three FCS-WiFi2 networks (FCS-WiFi2, FCS-Wifi2 DVS, or FCS-WiFi2 USR). ***The proper downloads will not occur if they are connected to the FCSGuests network or connected to a hotspot.***
- If your student is not able to load the applications, please have them bring their device to the Milton IT Tech room across from the Media Hub this week. If the applications are not loaded and are not able to be loaded by a tech prior to testing, your student MAY be required to make up the test on a makeup day.
- If your student does not have a Fulton County issued device, they need to obtain one from the Milton IT Tech room across from the Media HUB ASAP.
