

## Milton High School Candidate Statements (Spring 2019)

### **TIANA DIGGS**

I am Tiana Diggs, a mother of three children. My two teenagers attend Milton High School. I have a Bachelor's degree in English. I am an Instructional Paraprofessional at an Elementary School with Fulton County Schools. I love working with and for children. This will be my first year serving on the School Governance Council. I look forward to helping implement Fulton County's strategic plan. The students and community deserve my hard work and dedication.
