

We're going to...

Greece, Italy & Spain

Summer 2025

BIG NEWS! We're opening more spots on our Summer 2025 travel opportunity to Greece, Italy and Spain! Missed the first meeting? This is your ticket to get caught up on the details!

Please make plans to join us Thursday, May 2, at 6:00 PM in Room 1273.

RSVP required to ensure we have space for everyone: <https://bit.ly/3vknDvN>

I am so excited for your family to learn more about this once-in-a-lifetime educational experience being offered through EF Educational Tours at our informational meeting. This will be an in-person meeting.

We believe in the impact of global learning on student's future-readiness. These experiences have a positive impact on:

- Cultural awareness and global perspective
- Independence
- Interpersonal Skills
- Critical thinking and personal growth
- Future academic and professional opportunities

This is a unique opportunity for students to broaden their horizons beyond textbooks and the classroom by connecting with peers and experiencing other cultures.

Can't wait to learn more? [Watch this video to see the impact that travel can have on your student.](#)

See you at the meeting!
