

Summer Learning

2023-2024 School Year

High School Summer Learning is an opportunity for high school students to accelerate or recover credits during the time between school years. The summer session is a condensed version of content provided during the school year, and students must have their course requests validated by their counselor before being enrolled.

Fulton County Schools offers three summer learning opportunities for high school students who need to retake a previously failed course:

1. Face-to-Face Summer School
2. Fulton Virtual Learning Program
3. Fulton County Credit Recovery

Students may also accelerate their learning during the summer by taking a course for the first time through Fulton Virtual. Tuition is required to take a course for the first time during the summer.

As you consider your options, please keep in mind that one course is the equivalent of a semester-long class for a 0.5 credit. Students are limited to taking

- 2 courses in a Face to Face setting
- 2 courses in Fulton Virtual
- 1 High School Summer Credit Recovery course at a time. Once a 0.5 credit is earned, a student may take another course through High School Summer Credit Recovery. ****Registration and recommendations for HS Credit Recovery are only through the school counselor****

Unsure which High School Summer Learning Option is Right for You? Please use this link to help you make a decision. [Which High School Summer Learning Option Is Right For Me? \(office.com\)](#)

If you have questions about summer learning, please contact your student's school counselor at his/her local high school.

Tuition for Acceleration Courses with Fulton Virtual

1/2 Credit = \$225 (\$180 with free/reduced meal status) per course

Transportation

Fulton County Schools provides bus transportation for all students in the Face-to-Face summer learning program. To provide this service, revised routes will pick up and drop off students based on "community" stops, high density stops, and school-to-school stops. This includes buses that will take students from their original home school to the summer school site. Please check the Transportation website after May 17th for bus stop and time information for your student. We will continue to use the "Here Comes the Bus" app during summer learning to ensure that parents have the most up-to-date bus information. Students attending Summer Learning Adaptive program can receive transportation based on their IEP. Please register with the student's home school no later than April 26th to ensure the student's route is in place for the first day of summer school. Transportation is not provided for the Fulton County Credit Recovery program.

Fulton Virtual (June 5th-July 10th)

Fulton Virtual provides online learning options for middle and high school students throughout the district, enabling greater flexibility for students aiming to recover credit or accelerate classes. Fulton Virtual courses are teacher-led; instructors work with students, parents/guardians and other interested parties (e.g., counselors) to deliver course learning objectives and support the academic needs of each student.

The offerings of Fulton Virtual provide varied and dynamic content, user friendly customization and personalization options, as well as opportunities for students at earlier ages to engage in learning virtually.
Students can expect to spend 3.5 hours per day for each semester course taken in the summer term.

Courses

All Fulton Virtual summer course selection questions should be directed to your home school counselor.

You will not be able to login to any Fulton Virtual course from outside the United States.

Fulton County Credit Recovery (June 5th-July 10th)

The Fulton County Credit Recovery (FCCR) program is a specialized academic program designed to help high school students who have previously received a numerical failing grade on their transcript in one or more courses. The program aims to provide these students with the opportunity to retake the courses and earn the necessary credits required for graduation. [Course Catalog](#)

Eligibility

Student must have a **posted failing numeric grade** on their transcript to be eligible to take an FCCR course. FCCR courses are **NOT** NCAA accredited.

Please contact your school counselor about Fulton County Credit Recovery. Only your counselor can register you for these courses.
