THE UNIVERSITY OF PITTSBURGH LAW ALUMNI ASSOCIATION AND K&L GATES

TUESDAY, JANUARY 24, 2023

12:00 P.M.

K&L GATES PARTNERSHIP CENTER
210 6TH STREET
PITTSBURGH, PA 15222

For decades, Pitt Law and its Center for International Legal Education (CILE) has been synonymous with legal education in conflict zones. This year, Ukraine and Afghanistan are at the center of crises, and we have responded. With the generous help of the local bar and business community, we welcomed eleven law students from Ukraine and Afghanistan, allowing them to escape the current crises in their home countries, work on meaningful pro bono matters, and earn their LLM degrees. We hope they will eventually be able to return to their home countries, where they will become leaders in strengthening the rule of law. We are aiming to support at least six more "Rule of Law Scholars" in 2023—from Ukraine, Afghanistan and Myanmar. Please join in hearing about what this innovative program has done, will continue to do, and how you can help.
