Downtown Tucson to be Highlighted in MPA's 2019 Wild Ride

Presented By:

TUCSON (February 18, 2019) - The Metropolitan Pima Alliance (MPA) will be holding its 2019 Wild Ride on April 5, from noon to 5 p.m. The theme for the event is The Wild Downtown Tour: Live, Work and Play!

Since 2004, MPA has used the Wild Ride to bring together over 200 business, political and community leaders to tour areas experiencing high levels of development and economic growth. This year's event will take participants on a ground level tour that showcases successful community investment, development and redevelopment within the Downtown Area.

Citing the company's love of the Tucson area, Chasse Building Team's Leigh-Anne Harrison had the following to say about the company stepping into the role of title sponsor for this year's event. "Chasse Building Team chose to expand their operations and open an office in Tucson. Our team fell in love with the city and sense of community. It's our privilege to partner with MPA to support the revitalization of Downtown Tucson and to help create a more prosperous community."

The event is open to the public and limited to 250 participants. Tickets are on sale at mpaaz.com.

About MPA: MPA works to create a prosperous community by promoting collaborative real estate development policies, building partnerships and finding common ground. MPA leads the charge in encouraging constructive partnerships between government, community and the real estate industry. Unique to the region, MPA is an alliance of business, government and non-profit organizations. MPA strongly believes in the positive participation and contributions of the private business sector working in collaboration with local jurisdictions. www.mpaaz.org
