Employers who have ZayZoon report more productive employees, reduced turnover and improved recruitment efforts.

F.A.Q

So, Isn't this just a payday loan? No. ZayZoon does not charge interest and does not place debt on the employee. ZayZoon simply provides employees access to their earned wages early.

What is the cost? ZayZoon is free for employers. For employees, There is no interest charged. ZayZoon is not a loan and instead charges a flat fee of \$5 to access \$200 at a time.

Do I need to do anything for repayments? Payouts are automatically repaid through payroll direct deposit on the employees next payday, with no disruption to your current payroll process.

How long for employees to receive money? Funds are transferred instantly, 24 hours a day, 365 days a year.

How long does it take an employee to sign-up and access funds? Employees can go from sign-up to having funds in their bank account in less than 1 minute.

How do employee's sign-up? Employees are notified of the service through email, employer marketing materials or in their payroll self-service portal. All that is needed for sign-up is for an employee to upload a picture of government issued ID and debit card information or bank account information for funds transfer.

I have more questions. ZayZoon provides excellent customer support 9am – 9pm via live chat at www.zayzoon.com or email at support@zayzoon.com
