BTHS Freshman Orientation

Welcome Parents, Guardians and the Class of 2029!

I hope this newsletter finds your family well. Let me be the first one to welcome you to the high school. We are so excited and cannot wait to begin working with you and your student as their educational journey in high school begins. This is the first in a series of newsletters you will receive to help enhance the communication among the Hopkins School Community. This edition, **"Save the Date,"** provides the dates and information for the Freshman Orientation Program. The Freshman Orientation Program will be delivered in two separate activities this summer. The first activity will consist of scheduled in-person small group tours of the high school campus and a Question and Answer Session with the Grade 9 Administrative Team the week of August 11 for Students **ONLY**. All students will report to the Hopkins Building at their scheduled time and enter through door number 2. Please see the reverse side of this Newsletter for the dates and times of the activities and information on how to schedule your students' in-person appointment. Please mark the date of your student's scheduled tour on your calendar.

The second activity will consist of an **in-person parent program** on the evening of **Thursday, August 28 from 6 to 7** pm in the Burlington Township High School Performing Art Center (PAC). **PLEASE NOTE the program date changed from Wednesday, August 27, to Thursday, August 28.** The presentation will contain **IMPORTANT** information to begin the school year and information that will help ease the transition into high school. The presentation will be posted to the high school web-page during the first week of school and remain on the site throughout the school year as a resource.

In the meantime, if you have any questions or concerns, please do not hesitate to contact me. Have a safe and happy summer. Chris Ilconich, 9th Grade Assistant Principal.
