

10 things you can do to prepare for returning back to school

1

Practice Hand Hygiene

often throughout the day. Teach them to sing their ABCs or have them count for at least 20 seconds ensuring they wash front, back, & in-between their fingers.

4

Purchase a Thermometer

Check your child's temperature every morning. If 100.4 or higher, they must stay home until fever free (without the use of Tylenol/Motrin). If they develop a fever at school, they will be required to remain out of school for 3 days.

5

Make/Purchase Extra

Masks.

When possible, masks should only be used one time. Consider making or buying multiple masks to give you proper time to wash them between use.

6

Update Immuniza-

tions/Physical.

Each are required to enroll for the school year. Contact your child's pediatrician for an appointment. Immunizations can also be obtained at the Health Dept.

3

Practice 6ft of Distance.

Measure the distance on the floor. Consider temporarily laying pieces of paper down for a visual.

7 Change Aerosolized Medication. Nebulizers & inhalers without a chamber cannot be administered in school. Speak with your child's pediatrician to obtain the proper equipment & to update the Asthma Action Plan.

8 Purchase Reusable Water Bottle to be brought to school. Water fountains will not be in-service.

9 Verify/Update Emergency Contacts. If your child presents with COVID-like symptoms, they will be placed in an isolation room and will need to be picked up immediately. Please ensure a contact can be reached at any given time.

10 Stay Informed. Educate yourself from reliable sources such as the CDC, and Ohio Department of Health websites.
