

Thank you from our staff!

Saint Charles Parents,

Thank you very much for the monetary gift for Christmas. Although this year has been challenging it would not have been a success without your support and generosity. Advent is a time of joy and preparation as we await for the light of Christ to enter the world. Your kindness has definitely helped me make it through the rough and dark times. Christ's light most definitely shines in the parents and students at St. Charles. Your generous gift will be put to good use over the relaxing two weeks. I will use it wisely to rejuvenate for our new beginning in January. May you have a blessed Christmas Holiday in peace, safety, and free from illness. I look forward to seeing all of the students back in January.

God Bless,
David Bogle

To all our wonderful families who contributed to my Christmas gift, many thanks. It was so kind of you all to think of me during the holiday season. The music department would not be what it is without your generosity and thoughtfulness.

I wanted to thank all of the parents for all of their generous gifts over this holiday season. It was especially surprising and thoughtful to receive gifts in the car line at the end of the day. That brought great joy to me. I hope everyone had a happy, healthy, and safe break.

Dear St. Charles Community - Thank you for thinking of me this Christmas season. Your thoughtfulness and generosity warmed my heart. It goes without saying that this school year has had its unique set of challenges. With your help (keeping kids home when they were sick, taking my phone calls, reporting positive cases, etc.) we have been able to keep our kids safe. We have had many bumps along the way, but having your support has allowed us to keep our doors open and kids in the classroom. Thank you again for your generous gift and for your commitment to the health and safety of our community. Wishing you a happy and healthy New Year.
