Fall Online Follett Book Fair

Our fall book fair starts next week Monday, October 5th! Unlike past fairs, our fair will be completely online and run for three weeks! You will still have the ability to see and purchase books for teacher wish lists in addition to personal purchases. Books get delivered to the school and sent home with your child.

See the flyer below for exciting and new available titles!

Birthday Book Club (BBC) -Note: All Birthday Book Club forms for the year need to be turned in by Friday October 9th to account for planning and purchasing of additional books.

We will be continuing the Birthday Book Club this year! For more information on what the Birthday Book Club is and how to join please see the google doc to the below.

Last Year's BBC

Due to the stay at home circumstances at the end of the '19-'20 school year, there are some students who have still not received their chance to check out a new Birthday Book Club book. I will be in contact with those students/families in the next couple weeks to get those taken care of. (Mrs. Brown had new uncirculated books set aside specifically for this purpose.)

Book Checkout

Unfortunately, the library is currently closed to browsing, but you can still check out books. Students can use the online catalog to place holds and books will then be checked out and delivered to their homeroom teacher or can be picked up in the office if studying virtually. K-2 will still have a small selection of books brought to their classroom, however with your help to place holds they have access to the entire library. Please visit our virtual library for more information and the catalog link.

** Note: your library login is the same as it is for all your other school accounts
