

St. Albert Nutrition Service

www.Stalbertnutritionservice.com

St. Albert Nutrition Service is happy to announce that starting Tuesday September 8, 2020 **free meals** will be available to **ALL** students! We will serve breakfast and lunch during regularly scheduled mealtimes free of charge until December 31, 2020 or until we are notified that the USDA funding has been depleted.

Please continue to send us Free and Reduced meal applications for a seamless transition back to paid meals. You can find applications and other information on our website @ www.sansvs.com.

We are excited to be able to help our families in this time of crisis. We encourage you to take advantage of this extra funding by allowing us to serve your children breakfast and lunch each school day. Breakfast is not served at all locations, but we would be happy to make accommodations if necessary. We can also extend this offer to any siblings under the age of 18. If you would like to make arrangements for breakfast meals, meals for siblings, or remote learners, please reach out to us @ Ndoyle@stalbertnutritionservice.com.

While we plan to adhere to the menu that was published at the beginning of the school year, we are anticipating higher participation, therefore menus will be subject to change.

We are in this together and our hearts are full going into this weekend knowing we can help lighten your burdens.

Thank you,

Natalie Doyle and Kaylin Bryant

If you can't feed a hundred people, then feed just one.

~Mother Teresa
