

MEGlobal to sponsor United Way Loaned Representative

Once again, MEGlobal will sponsor the United Way Central Alberta's 2017 loaned representative. The program allows the local United Way to bring on an additional staff member during the busy campaign season, without using donor dollars. The sponsorship will help United Way make a greater impact in the community.

The loaned representative program has been used by United Way for more than 10 years and they have had great success with the program.

We are, therefore, pleased to announce our 2017 loaned representative, Cynthia Pottinger, who comes to us with a wide range of skills and will be helping us throughout this year's campaign season. Thank you MEGlobal!

United Way Central Alberta CEO, Robert Mitchell, presents the 2017 Loaned Representative award to MEGlobal CEO, David Miller, at this year's campaign Kick-Off Luncheon.
