

Chuck-a-Puck Night in Red Deer!

On Friday, March 2, 2018, we held our second Chuck-a-Puck event, presented by TBS Hockey and hosted by the Red Deer Rebels.

Hockey fans purchased pucks to throw at targets on the ice for the chance win three great prize packages valued at over \$2,000. The lucky winners were announced at the end of second intermission.

This was all made possible thanks to a great group of supporting [sponsors](#) from our local community: Baymont Inn & Suites, Blue Sage Catering, Browns Social House, Collicutt Centre, Jump 360, Sheraton Red Deer, Earls, and Telus.

Thanks to the teams from BMO, the pucks were all numbered and repacked in order, in time for the event.

All proceeds from Chuck-a-Puck sales went to United Way to be invested back into our Central Alberta community.
