

United Way's Community Celebration: It's all About the Impact

On February 10th, over 220 people gathered to enjoy a hot breakfast and hear heart-warming stories of [the impact](#) they are making in our Central Alberta Community.

In a year of tough economic times, United Way supporters and volunteers were looking for a brighter day and some good cheer, and we think they found it. Here are a [few photos](#) of the event you might enjoy.

We also celebrated some of our top workplaces who went above and beyond to make this a successful year. You can view photos of the 2016 [award winners here](#).

Together, United Way's 2016 campaign supporters donated a total of \$2,145,640, which allows us to maintain our community investment at last year's level. While this is great news, we are still down over 2015, so some belt tightening is being initiated.

Thanks to [our sponsors](#), the breakfast event was also a positive financial success. If you are inspired to partner with United Way, there are many opportunities for you to be recognized while giving back to your community.

Thank you each and every one of you who – together, created many great possibilities for Central Albertans.
