

## Thank you Alberta Health Services

We wanted to send out a huge THANK YOU to the employees at Alberta Health Services. In December they ran an internal campaign to collect warm mittens and toques to be distributed to the people who could use them the most. They donated the items to the United Way and we dispersed them to the Women's Outreach, Safe Harbour and the Turning point.

### All tolled:

62 pairs of socks

49 toques

32 pairs of mittens

25 scarves

DO YOU KNOW WHAT YOUR DONATION LOOKS LIKE?

## COMPASSION

"A little each payday reminds me of the ways I'm making a difference in the communities where I live and work."
