

# Wow, What a Community!

I volunteer at United Way to make a difference. I've lived in Red Deer a long time, but wow, I did not know how much I would learn about the community.

~Kathryn Hagen, Priority Impact Team Volunteer

Kathryn is one of thirty volunteers who will spend 1,000 hours from January to March reviewing 41 programs and deciding how to invest the dollars raised during the 2016 Community Campaign. They will read applications, meet with agency staff and ultimately recommend how best to invest the donations that United Way received.

41 + 30 + 1,000 + \$ = Wise investments  
programs volunteers hours donations that make the  
community  
stronger and  
more resilient
