# MOVE-IN INFORMATION

JANUARY 29 & 30 - TRAVEL RESTRICTED RESIDENTS

FEBRUARY 1-6 - NYS & CONTIGUOUS STATE RESIDENTS

We are extremely excited that you will be returning to Centennial Hall in a few short weeks!

ESF's spring semester is scheduled to start on **Monday, February 8** and continue through finals on Thursday, May 13. Centennial Hall will be open through the end of the semester. You will be expected to vacate Centennial Hall 24 hours after your last final exam (to encourage a good learning environment for other students who still have finals to study for) or, by 2pm on Friday, May 14 - whichever is sooner.

If you are taking a spring semester course at Syracuse University that will be meeting until May 21, Centennial Hall will extend your stay until your last final or May 22 at 2pm, whichever is sooner at no additional cost. Centennial Hall will send more information about the process later in the semester.

If you are taking a Maymester course, please contact Centennial Hall about staying for those additional 2 weeks. The cost to stay for Maymester is \$250. More information will be available over the course of the semester.

You will find important information regarding the spring semester in this packet. If you have any questions, please email us at [centennialhall@greystar.com](mailto:centennialhall@greystar.com) or call at 315.741.3067

Due to the uncertainty surrounding COVID-19 and the spring 2021 semester, we highly recommend that you only bring what is absolutely necessary. Should our semester be suddenly halted, this will allow for an expedient departure from campus.

# **VIRUS SURVEILLANCE INFORMATION**

ESF has intensified its virus surveillance plan. During the spring semester, all students accessing campus facilities will be tested weekly.

Any campus community member testing positive for COVID-19 or determined to have had prolonged contact with a COVID-19 positive person must isolate and follow the New York State Department of Health Order on isolation/quarantine and the guidance of the the Onondaga County Health Department.

ESF has made isolation/quarantine housing arrangements for students at Onondaga Community College (OCC). At OCC, you will be assigned a single dorm room. Meal delivery, WiFi, and laundry facilities will be available during your stay at no additional charge.

Students may wish to prepare for a possible isolation/quarantine situation by pre-packing and storing a “quarantine bag” that can be quickly accessed for you to take to a quarantine location. Suggested items for a quarantine bag include a few changes of comfortable clothes, travel-sized toiletries, over the counter cold medicines and pain relievers, tissues, and extra electronic chargers. Linens, such as sheets, towels, blankets, and pillows are not provided at the quarantine facility. You may bring your own or Centennial Hall can provide you with a basic linen package to transport. Also, remember to bring your laptop and any necessary academic materials with you.

# UPDATES ABOUT CENTEN

## Guests and Visitors:

Guests and visitors are not allowed in Centennial Hall for the spring 2021 semester. If you are found violating this policy, you will be referred to the Office of Student Affairs for student conduct action. Consequences can include removal from Centennial Hall for the balance of the semester.

## Entrance to Centennial Hall:

All students are required to enter Centennial Hall at the main entrance and will be required to show their ID card with their Centennial Hall sticker on it every time they enter.

## Deliveries:

All food deliveries (pizza, Grubhub, UberEats, etc.) must be dropped in the vestibule or picked up from the driver outside the front doors. Delivery persons will not be allowed in the lobby.

## Laundry:

We ask that you are respectful and make sure to pick up your laundry in a timely fashion to promote social distancing (as well as people needing to remove someone else's laundry from the machines). The technology in the rooms allows you to monitor the status of your loads as well as how busy the rooms are.

## Masks:

Masks that cover the nose and mouth must be worn at all times in all public areas of the building.

# UPDATES ABOUT CENTEN

## Room Assignments:

On December 29 ESF offered students the opportunity to opt out of their Centennial Hall Contract to study from their permanent address. Other students may have transferred or taken a break from course work. Due to this, you may find yourself without a roommate. Centennial Hall may assign an incoming student to this space, but this may not always be possible.

Students in suites and apartments with individual bedrooms (2-bedroom suites, 2-bedroom suites w/ kitchens, 4-bedroom apartments) may find themselves sharing the unit with different roommates than originally anticipated. If you arrive and find an empty bedroom in your suite or apartment, please understand this space is not available for your personal use. The unused bedroom will remain locked and you may expect to welcome a new roommate at any time.

Students in double rooms who find themselves without a roommate have the option to upgrade to a deluxe single room for an increased price. The deluxe single room rate is \$6,000/semester. If you do not accept this option, Centennial Hall will place you with another student who also has a vacancy in their room. This may result in your being assigned a room in a different location from your original assignment. A Centennial Hall staff member will email you for confirmation of your decision.
