How to download

iOS

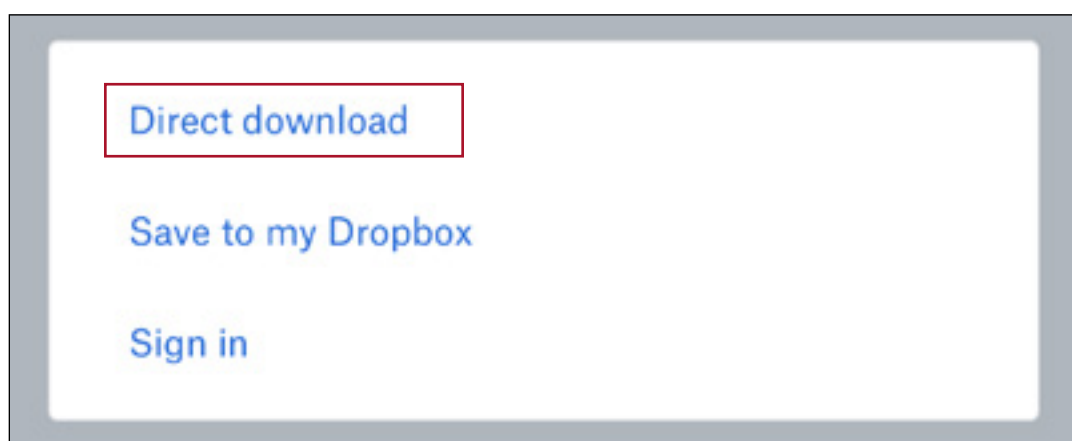

Apple Books is included on all iPhones, there's no need to download an additional app.

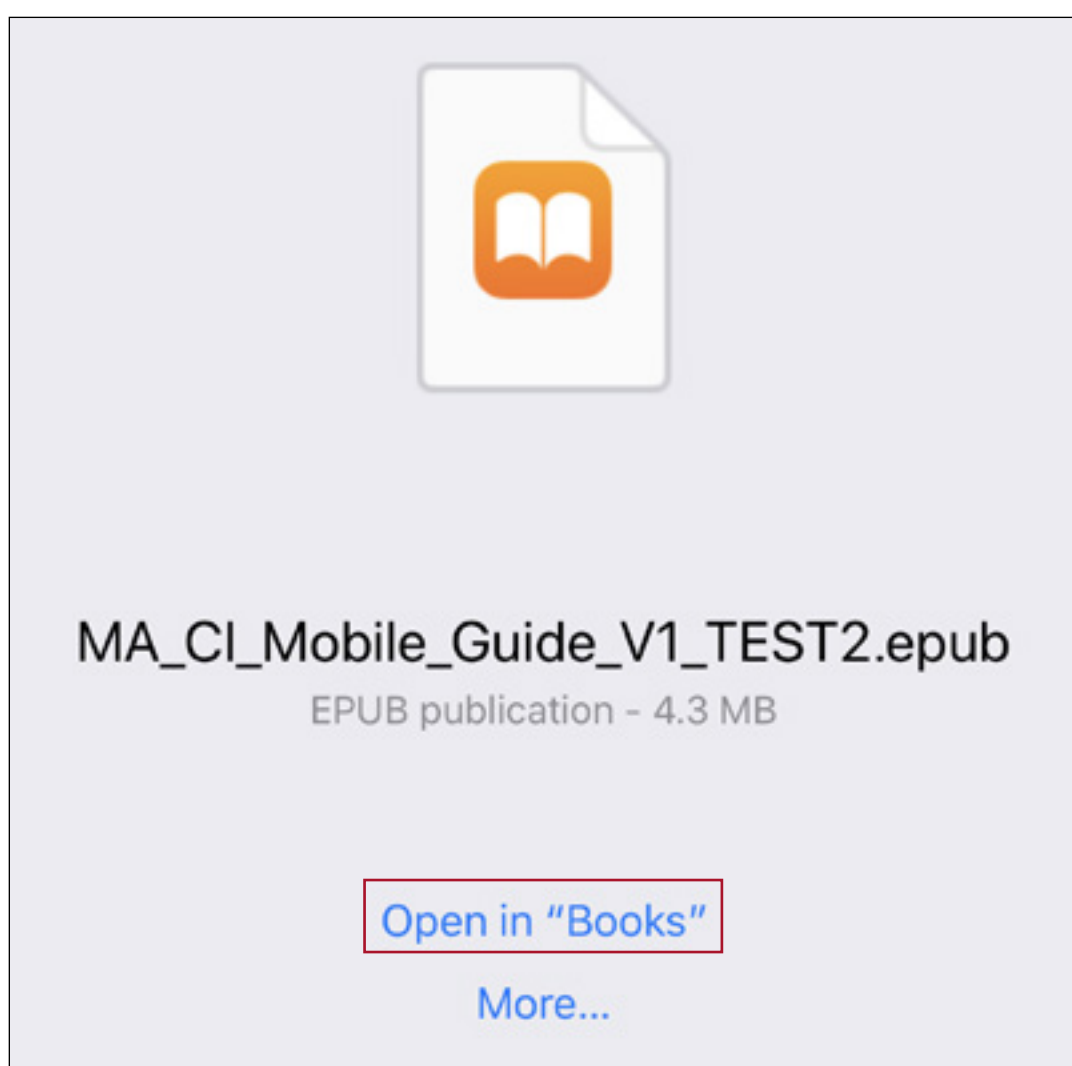

- 1 Go to bit.ly/MA-CI-Mobile on your iOS device
- 2 Select the file and tap the symbol below:

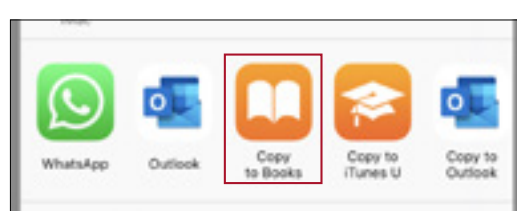

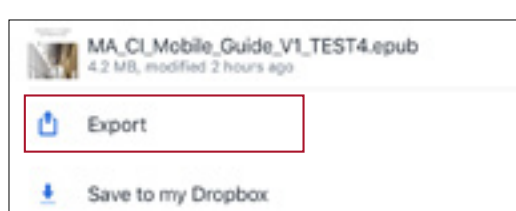

- 3 Select "Direct Download"

- 4 Tap "Open in Books"

If it opens in the Dropbox app follow steps 1 and 2 then:

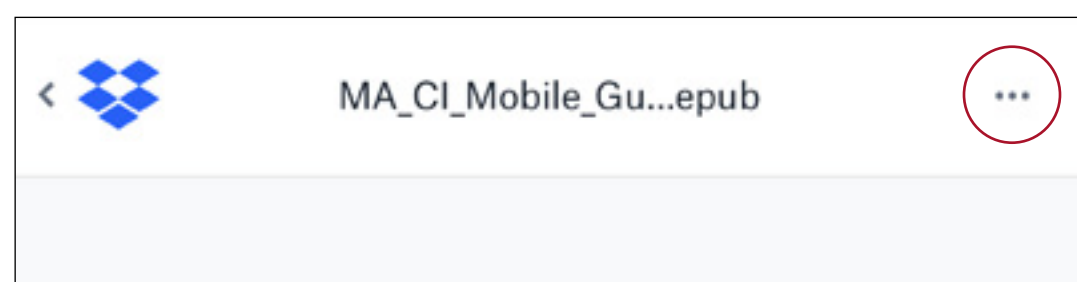

Android

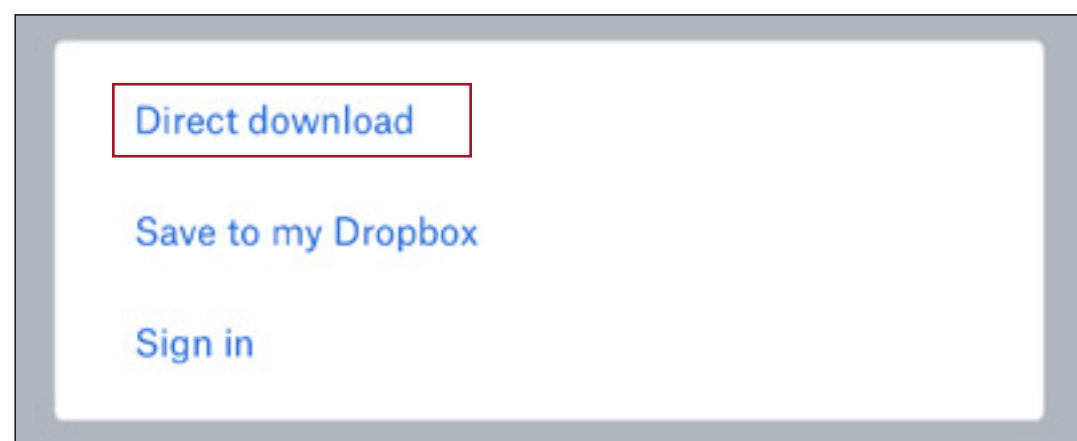

Google Play Books may be included in your device. If no, you can download it for free from the Google Play Store.

- 1 Go to bit.ly/MA-CI-Mobile on your Android device
- 2 Select the file and tap the symbol below:

- 3 Select "Direct Download"

- 4 Go to your device's downloads folder, select the files and choose open in Google Play Books.
