Referee Payments Increased! WCYSA has increased the fees paid to WCSRA Referees beginning this spring season. Working in conjunction with the WCSRA, WCYSA supported an increase in the amount paid to our referees for each match. This will hopefully increase retention and draw in new referees. There were also agreements for referees to be paid on a monthly basis. Starting the Spring 2017 WCYSA season referees will be paid the following for our league matches:

Level	League	New
U8	Rec	\$ 16.00
U9	Rec	\$ 17.00
U10	Rec	\$ 20.00
U12	Rec	\$ 25.00
MS	Rec	\$ 35.00

At the November WCYSA Board meeting it was agreed upon that the WCYSA Under 6 & 7 age groups games will be managed by coaches. Coaches in these age groups will receive information from WCYSA office on what the focus will be on for game management.
