515.12. Nurture his or her own call through the years of ministry, maintain a life of personal devotion that enriches his or her own soul, and, if married, guard the integrity and vitality of that marriage relationship.

Abernathy First Church of the Nazarene

Pastor Pedro Cruz

Significant Ministry Highlights This Year

2018 was a blessed year. We look for a renewed vision and commitment to reach out and make a difference in the Abernathy community. It's been a priority for our congregation to fulfil all financial obligations in the local, district and general levels. The Lord has provided for all our needs and we praise His Name for all the blessings we have received and his faithfulness.

Your prayers are welcome as we face some challenges and strive to win souls and train them for the Kingdom of God.

Abilene First Church of the Nazarene

Pastor David Menefee

Significant Ministry Highlights This Year

In August, our church members collected school supplies and backpacks to help the homeless students in the Abilene School District. Last year, there were approximately 1300 children affected by homelessness in our community. One Sunday evening, church members met at the AISD office to stuff backpacks, and sort clothing and other items to help be a blessing to these students.

On Sunday, September 16, we did not have "normal church". We went out into the Abilene community to "be the church". There were four ministry projects we focused on. First, was a "Work & Witness Continued" where a group worked to clear out trash and brush from around a house and built a ramp for the woman who lives there. This was a continuation of a project the Youth began in the summer. The second was "In Jesus Name Homeless Care". A group went to meet the homeless, pray for them, and gave out Blessing Bags of essential toiletries, sack lunches, and bottled water. The third was "Redbud Refreshments". A group, including our Children's Department, took water and snacks (for humans and dogs) to a local park. They visited with the people walking and running at the park. They also picked up trash and cleaned up a baseball field. The fourth was a "Free Car Wash" at a local supermarket. The youth spearheaded this project. They passed out water and snacks to the people who drove up for a car wash.

Our members willingness to serve and become Jesus to the Abilene community for these ministries was absolutely one of the finest moments in the history of Abilene First Church of the Nazarene. ...

Abilene Southwest Church of the Nazarene

Pastor Dennis Hayes

Significant Ministry Highlights This Year

This has been a difficult year for our congregation. Yet we praise the Lord for his goodness and grace to help us keep going. We have had sickness and surgeries in the pastor's family and yet the congregation is supportive and happy for Sunday services.

The blessing is that our members travel from other towns to be in service bringing family and children. We are looking forward to a blessed year and new challenges. The Lord is good and shows his love for his children. It is always a blessing to serve Him and the church.

Blessings to all.

Abilene Trinity Church of the Nazarene

Pastors Todd & Raquel Forrest

Significant Ministry Highlights This Year

Abilene Trinity continues to be a loving community of faith, welcoming all into fellowship. The church is transitioning as the former generation has been entering heaven, but things are bright for those who are still building God's Kingdom.

We started two different ministries this year. The first was the introduction of the "Best Tip Ever" cards. These cards were given to members to pass out at restaurants and businesses. The business card includes a scripture of blessing as well as an invitation to church, and free meal with church members after attending a service.

The second new ministry was to turn our Wednesday Discipleship class into a time of training on Personal Evangelism, Basic Bible Studies and Sanctification. Working through these together has helped both new and experienced believers in Christ.

Amarillo African Community

Pastor Michael Gatkek

Significant Ministry Highlights This Year

On behalf of our Church family, I would like to bring all this great news to you about how our Lord used our church for 2018.

Our Church held conferences and discipleship as the way to reach out to those who are still not knowing Jesus as their Lord and Savior. The year goes by quickly, but with amazing results. We thank our lord for leading our church and keeping us busy to do his work. Amarillo African Community Church of the Nazarene is our Jerusalem. It is our midpoint of our church planting. We are the missional minded Church that always visioning on church planting.

Our Church is known as the united Church among all Sudanese who live in Amarillo and the surrounding areas, not only that, we are the only Church, were you will find Nuer and Dinka praying together in one Church. It is also known as the place of healing. Many people receive their healing at the altar of our lord Jesus Christ. Our Church has been known as the church that reaches out to young Sudanese youth and kids in the city of Amarillo.

Our Church is very open for Church planting, for example, in 2016, we planted 36 Churches in one of the State in South Sudan called Awiel, and those churches rank around 5000 members, but this year, our population increased as 10,000 members. We built one local Church in Awiel, as the center of the 36 local Churches there in Awiel State in South Sudan. We helped repair Churches that were also damaged by water. We are indeed a missional Church, not just by word but by action. We praise God for that spirit.

Our Church is known for training young Sudanese kids to learn their mothers' languages, Bible training, songs training, and help them worship their Lord and Savior in our Friday evening program, and that, in turn, helps us capture the attention of many families who are not church oriented. We are now preparing young people as the future Church who will promote the gospel to the next coming generations.

Amarillo North Beacon Church of the Nazarene

Pastor TBS

Significant Ministry Highlights This Year

The foundation of all ministries at North Beacon is prayer. We have seen our children praying out with faith and power. Our Food pantry has become more than a time to nourish the body but a time to give the Bread and Water of Life. People are coming in for prayer as much as food. One lady commented, "I do not care if you have any food left. I just wanted to see you and pray." we served 879 people at the food pantry this last year.

Our Wednesday evening staff prayer has become intricate to the life of the church. We praise God for the prodigals who return, the lives that are saved, the bodies that are healed, and the many other answers to prayer we have seen. Prayer changes things and it definitely changed our church.

Amarillo South Georgia Church of the Nazarene

Pastor Lowell Schmidt

Significant Ministry Highlights This Year

Amarillo South Georgia has continued to reach out to our community with Children's Ministry and Youth Ministry. We have contacted several new families through these ministries this year that represent a variety ethnic groups and cultures.

SGN has also continued to minister to our community by providing a Food Pantry. Several families have been helped and ministered to in time of need. Along with this the church has helped with providing needed clothes, including coats for children in need.

Prayer continues to be a significant part of the ministry of SGN. We have an Intercessory Prayer group that meets every Tuesday and regularly receives requests for prayer from the surrounding community. Prayer is the focus of Sunday Evening services twice a month.

Amarillo Turning Point Church of the Nazarene

Pastor Harvey Baskett

Significant Ministry Highlights This Year

God has been gracious and relentless in His loving kindness and tender mercies to those who have yet to be reconciled to Himself this past Assembly Year. He has entrusted the Turning Point community with their care. We have been amazed at the number who are addicted, afflicted and challenged who have passed through our doors. We have seen their despair and heard their confessions of sin and their heart's cries for deliverance.

We pray He finds us faithful in delivering cold water, using what He places in our hand and telling the story of Jesus! Our people have also been blessed with the inclusion on two occasions in lifting the spirits of the elderly and infirmed at a local nursing facility.

Amarillo Valleyview Church of the Nazarene

Pastor Larry Dunlap

Significant Ministry Highlights This Year

In September we began offering a free community food pantry. The ministry has grown quickly, and has been an incredible blessing to us. We feed an average of 60 families a month, providing them with two weeks of groceries. Out of this ministry, a free clothing boutique ministry was also started. We set the food pantry and the clothing up like a store setting. There are some basic guidelines, but the people get to do their own shopping and meal planning.

In October, a grandfather came in with his two elementary school age grand-daughters. They were obviously quite poor. The grandfather shared that the girls had both been sexually abused by one of their mother's former boyfriends. The mother had a long, painful history of addiction. He now had custody but was receiving no child support. We gathered around and prayed for him and the girls. He was then taken to do his grocery shopping, and I got to help the girls shop for clothes. We found several outfits that the girls were very excited about. I watched them walk out the door with big smiles on their faces. The younger of the two girls was clutching a pink dress and a box of cereal. It was a moment I will never forget.

This April will mark my 17th year at Valleyview. That is hard to believe. I love my church and I think I feel more joy in ministry every day.

Arlington Antioch Church of the Nazarene

Pastor Paul Lee

Significant Ministry Highlights This Year

My church in 2019 starts a vision statement which is “Let’s be the pleasing aroma of Christ for God and my neighbors (2 Cor. 2:15).” Under this purpose, we receive the grace through the Word of God and have worked to give the grace and love which we received from God.

First, my church and I tried to make a harmony and united churches with the Korean churches in Tarrant County area. So, we have attended the united revival meeting, dawn prayer worship for Easter Sunday, and the pastoral prayer meeting gathering in once of month. I have worked for the united and cooperative of the Korean Nazarene churches in central area in US.

Second, my church and I tried to find and help those who are in need. As immigrants, we tried to find those who have immigrant problems, family problem, and business problems. I anticipate they will return to God. Furthermore, some members and I have fundraised through working such as Donut shop cleaning, waxing, and interior remodeling and gave the money for 4 students in college students. We don’t care if they’re Christians or not, we just give it for them. We just pray that God will touch them through this holy work.

Third, my church and I tried to support 5 missionaries in the Philippines, Indonesia, and Myanmar. In order to support, we gather the coins in house, donut shops and anywhere they are. We had started from September to December, collected 5,500 dollars, and sent it to them. We are happy to help them, and they are happy to receive and do missionary work. In God, this is the appreciation and grace.

I am so happy that my church is working with West Texas District of the Nazarene. Although my church is small, we are strong and healthy in God. Glory to God

Significant Ministry Highlights This Year

This year has been marked by huge opportunities. Our van ministry has continued to flourish. We recognize that we often have these kids for a season since families move frequently, but despite the moves, God continues to bring new kids through our doors. We minister to kids in crisis, often with behavior and emotional issues, but God has been faithful to bring about transformation and we are thrilled that we now see inroads with parents as well.

This year we also opened our doors to the Asian Indian Initiative under Premal and Kavita. They have done tremendous work and it has been so exciting to watch that group grow each week. Finally, under the direction of Max Saucedo, we have begun marriage seminars and services in Spanish on Sunday mornings. Max's outreach has brought in several new families whose kids now worship with our kids.

We truly believe God is on the move with great things ahead for Arlington First.

Significant Ministry Highlights This Year

This year has been a challenging year for our ministry, but in all moments we could see God's favor upon us. One of the most significant blessings is the consolidation of our praise band and dance team. This has brought our worship services to another level where the church is learning to worship from their hearts. I bless all people involved specially Josh and Vania Alvarez, who are leading, teaching, and ministering the praise and worship team, and my wife, in her passion and work for leading the dance group.

Arlington Naya Jeevan (CTM) Church of the Nazarene

Pastor Premal Awasarmal

Significant Ministry Highlights this Year

Arlington Naya Jeevan Church of the Nazarene reached out to more than 30 students and one family this year with the love and Gospel of Jesus Christ. Out of these 30 student friends two of them received Jesus Christ as their personal savior.

It happened so, that after one of our Sunday Fellowship, I was dropping two students to their apartment in my car. As I was sharing about Jesus' life on our way, their apartment came, I parked in their parking lot and thought they will go, but they said they wish to listen more about Jesus. The Holy Spirit whispered me to lead them in prayer and ask them if they wish to receive Jesus? As I asked, they happily said yes and were excited, Praise the Lord! They received Jesus. It was a joy and honor for me to hold their hands and lead them in prayer. Now, they are been discipled. Glory to God!!

Arlington Renewed Life Church of the Nazarene

Pastor Greg Key

Significant Ministry Highlights This Year

Our year was full of faith and seeing God bring the 2001 vision into reality. He gave us a tool on 1130 W. Division St. in Arlington near the UTA. Before we cleaned before 1 thing was moved into the building, we set to have 24/10 prayer, fasting, and scripture reading. Our people and some outside of us took 3-hour blocks of time. We read through the whole Bible 1 1/2 times. We sought the Lord and prayed for God's cleansing and anointing to be evident in this place.

The original goal was to offer resources to the community in such a way that they would find themselves coming to our building and then realizing this was a church. The community would be caught off guard by our love and acceptance to the point that barriers to the gospel would drop.

We currently offer through RLC Financial Peace, Grief Share, and Overcomer's recovery program. We give opportunity for discipleship through our Sunday School and Wednesday night Journey group. Our outside groups that use our building Color Your World Health fair, Reentry First Stop, Redemption Bridge, fatherhood Effect, Pathfinders and Maze Human Trafficking ministry.

We also cannot forget offering our space for the New Indian work FW Naya Jeevan at UTA. I look forward to a long relationship with these amazing students. #renewaliscoming

Significant Ministry Highlights This Year

Becoming a neighborhood home church has opened new opportunities of ministry for at-risk youth of East Arlington and their families. In addition to our regular worship service, Bible study and basketball ministry we have had the opportunity to assist parents of our neighborhood youth with doctor appointments, psychiatric intake evaluations, ministry at the hospital, county and state prison.

Raza, the young man featured in our video two years ago, is in prison in East Texas and is facing deportation to Saudi Arabia where he was born in a refugee camp. On one of my trips out to see Raza, his self-proclaimed homey, Dominique, travelled with me and I met with an immigration attorney. As it stands now, Raza will be deported when he is released. Please keep him in your prayers. He does not know anyone in Saudi Arabia.

Dominique has given his heart to the Lord and is preparing for baptism. His four best friends are in prison, but we bless God he is growing in the Lord. Another highlight is Vu, who was surrounded by gang culture and has a brother serving time in prison. Vu is now studying to become a police officer and is part of our basketball ministry. I bless God for his love and care for the people of East Arlington and the opportunity to minister to them

Significant Ministry Highlights this Year

Redeemed people Redeem others at any cost.

This is the heart of NazFamily Cedar Rd. Even though 2018 has been a year of change for us: new Leadership, new format, fresh vision. We know that we serve the same God, and we know that Jesus never changes.

We have been blessed this year to love our community through a couple of large events:

⁴We held a block party for Easter at the church as part of a city wide multi-site Easter event. The smaller event allowed us to interact easier with the group as we had games, egg hunt, food, inflatables, and minute to win it games for prizes. It was a great turnout from the neighborhood with approximately 75 that came together.

We held a Thanksgiving meal for the towns under-served west side, where we were able to utilize the fellowship hall of a closed church in the neighborhood and serve a meal to the community. It was a first step for us to minister to the families on the West side, we are praying for more opportunities.

We held a Christmas interactive walkthrough called Searching for Christmas. The goal was for the community to walk through 4 familiar scenes at Christmas (Christmas Parties, Shopping, Traveling, and Youth Group Party) where we have traded the true meaning of Christmas for the routine of Christmas. We held this event for two nights closer to Christmas and ended with a time of prayer and a Winter Wonderland with lights and hot chocolate by the fire pit. This event was a lot of work but enjoyed the preparation and the new people we met from it

Pastor Richard Schneberger

Significant Ministry Highlights This Year

In Isaiah 43, the Lord tells His people: “*See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.*” (Isaiah 43:19-20 NIV)

This has been a year of “new things” for the Big Spring NazFamily. Pastor Richard, Sara and family arrived in June and jumped right into an active summer filled with family camp, children and youth camps, summer kids program, VBS, and ongoing outreach. It was a busy and blessed season. Near the end of the summer, the NazFamily came together in our One to Another service weekend. We took on several work projects around the area from painting homes to cleaning up properties, we even repaired and roofed an entire house. This was just one of the ways we tangibly expressed God’s love to our neighbors.

We had a packed house on Back to Church Sunday in September and baptized 7 people into the faith that day. In October we held several fall outreach events at both campuses, the Academy and the Daycare connecting with well over 1,000 people. Over 1,400 heard the message of God’s amazing love for them in our 31st Annual Live Drive Through Nativity this year. We’ve added parenting classes, personal finance classes, and had a powerful marriage retreat. We also added to our ministry team. Gloria Jimenez stepped up this year to lead our NazKids ministry and Peter Sullivan recently joined us as an associate pastor. He will be giving leadership to our worship and discipleship ministries. It has been a season of change, but through it all God has continued to make a way in the wilderness and streams in the wasteland. God is on the move in Big Spring! We are excited to experience all that the Lord has in store for the NazFamily in the days ahead!

Significant Ministry Highlights This Year

This year at BFCN we had the biggest children's quizzing group we've ever had. We had 14 children quiz this year and look forward to adding more next year.

We added 3 new families to our worship services this year and received 5 new members into the church. Our children's department put on an amazing Christmas program that touched the hearts of all with laughter. Our children & children's leaders never cease to amaze us.

We joined forces with the Borger CareNet, our local pregnancy center, and supported them by participating in the Baby Bottle Campaign.

Also, our pastor and his wife, after 20 years of service at BFCN, answered the call of becoming the new co-directors of Arrowhead Camp & Retreat Center. We wish Pastor Terry and Sandra Porter, the best and can't wait to see what the Lord has in store for all.

Significant Ministry Highlights This Year

The Dan Bohi team was with us for revival services. They had daily teaching sessions with Craig RENCH and Jay & Judy Jellison. Participation from zone churches and local churches was encouraging for all.

Rob & Cindy McCorkle were with us for more teaching and preaching. These two were great times of spiritual growth for our church. God is moving the hearts of His people.

We are praying for the businesses in our community. We have visited over 180 businesses and prayed for owners and workers alike. We have met over 500 people. On number of occasions business owners have come out of their business to ask for prayers as we walked down the sidewalk.

Several lay people are volunteering at the Salvation Army. They are cooking food to feed the homeless and work where ever they are needed. Also, many things have been repaired as the opportunity arise. We praise God for what He is doing.

Bowie Church of the Nazarene

Pastor Michael Burton

Significant Ministry Highlights This Year

This past year was a year of transition for our church. But even in the midst of transition the church was still able to minister to those in need through our prayer ministry. This has been a great ministry, especially to those who are unable to attend our services regularly. The shut-ins, those who must work during our service times, and those who don't regularly attend on Sunday are all ministered to by the body of Christ reaching out and asking how we can pray for them.

We have also strengthened our relationship with the Bowie Mission. We have financially supported the Mission for some time but now are also supporting it with our time. About once a month we volunteer and have the privilege of giving hope and encouragement as well carrying out food and praying for people as they leave.

He is faithful and we believe that through our continued prayers and ministries to those in need that God is building the foundation for many to come to know Him in Bowie, TX.

Burkburnett New Hope Church of the Nazarene

Pastor Coleen Scott

Significant Ministry Highlights This Year

Puppet Ministry: Trish Underwood brought her puppets and started teaching kids and adults how to use them for outreach and in church. Our congregation looks forward to her shows. She is also doing shows at nursing homes and taking the Kids along to help.

Testimony: Aaron eleven years old has been helping with the puppet shows and is a joy to work with. He wants to learn and allows me to teach him scripture through the puppet ministry.

Started in-depth Bible studies for new Christians and have a couple of mature Christians working alongside to help disciple and grow in faith.

Testimony: My name is Shannon back in May 2018 I asked the Lord into my heart. I realized while Pastor Coleen was preaching on obedience, that I had not given my heart to God. Since then, I have asked many questions which she has spent hours helping me understand. I have enjoyed the bible study each week and appreciate the patience of the group as I grow.

We have a couple of folks who have started helping the elderly by mowing and weeding yards and picking them up to take them places if need arises.

Significant Ministry Highlights This Year

"God is Good, and His Love Endures Forever" has been the cry of our hearts in the midst of another year of financial struggles. That was the cry of the Children of Israel as God's glory filled the temple Solomon built. We believe that His forever love and glory are still available as we pray, fast and cling to His faithfulness and strive to witness for Him. He Is Able!

In the struggle there were highlights: we were blessed to have over 100 attend our Annual Thanksgiving Fellowship Meal. There was a little fretting over whether there was enough food, but there was plenty. Those 100 included an unknown family who saw our sign and came in. When asked their names, the children were afraid they would be asked to leave. Instead, they were invited to enjoy our celebration with us and to visit our worship. They haven't blessed us with a visit yet, but we're believing.

We've also had two new folks, who had never belonged to a church, officially join our fellowship. Once again our children and youth presented another wonderful Christmas program. Recently we put together a Children's Chapel in an unused classroom to help teach our children about the church and how it works. We want them to understand the importance of the church in their lives and their place in it. After all, they are the church today!

Yeah, God is Good, All the Time And His Love Endures Forever!

 Church of the Nazarene**
 Pastor Kor Chakud

Significant Ministry Highlights This Year

Our Ministry has been a blessing to many residents in Cactus, especially the Muslims community because we have put to work (2 Timothy 4:5), “Preach the word....Do the work of an Evangelist.” As a result, a former Muslim who gave his life to Jesus, starts a ministry calls “Jesus loves Somali people”. His goal is to show his fellow countrymen how much Jesus loved them, and He’s the only answer.

Our Ministry is not limited in Cactus only, but we are reaching the immigrants in Dumas which is about 13 miles from Cactus. Our goal is to let them have the life that our lord provided anyone who’s willing (John 10:10), and to be set free from the bondage of Satan. Thank God for His grace, one young man gave his life to Jesus and received Him as his Lord and savior. We are serving living, loving, and faithful God

**Canyon Intersection Community (CTM)
 Church of the Nazarene**

Pastor Shawn Fouts

Significant Ministry Highlights this Year

As a church plant we worship during the warmer months on the lawn of a local disadvantaged elementary school, and in homes during colder months. Throughout the year we serve the school with bounce houses, treats for the kids on holidays, hygiene kits for the nurse to give out, crisis care kits for families in need, as well as our first Christmas Service and our first Sunrise Service in coming weeks, 04/21/2019.

Our goal was to rent the school on a weekly basis to house worship but we were not able to do that with the school district. Undeterred our people continued to meet every, I mean EVERY, Sunday morning (hot, cold, rain, snow) for prayer at the school, seeking God's blessing on the school and His direction for ICC. While we will continue to serve the school and the surrounding community the Holy Spirit has lead us to serve the homeless of Amarillo every Sunday morning (remember, we gather for worship and discipleship in the evenings) with hot food, fellowship, and prayer.

The ministry has taken us to the deepest seat of need in Amarillo and we have been exposed to people groups we never knew existed, truly the "least of these." This has become our ministry along with our ministry in the school and that community, which is also socio-economically disadvantaged. While not "our" initial goal, the Holy Spirit has lead us to an amazing ministry. We characterize ICC by saying:
 #simplychurch #worshipthruservice #cometothetabl

Significant Ministry Highlights This Year

“Join the family!” Has been the rallying cry of the past year at Cisco Church of the Nazarene, with the goal to focus on serving God in our church and in our community. As we are serving God, we strived to grow as individuals and as a church family in authenticity and transparency in our walk with Christ. This goal has been the focal point as we developed new ministries and continued to outreach into Cisco and Eastland County.

One way in particular, we were able to have a Vacation Bible School this year, which was the first time in few years. More than 20 members of our congregation donated, helped prepare, and led a group or station with excitement and enthusiasm, which rivaled the children. Throughout that week, over 35 kids learned about Christ and contributed to local and global missions. There were many similar opportunities for us to serve God this past year and we are looking forward to all God is leading us to as we continue walk with Him.

Clarendon
 Church of the Nazarene
 Pastor Allen Posey

Significant Ministry Highlights This Year

This year in Clarendon we have focused on four key words Going, Seeing, Doing, and Praying.

We have started ministering outside of our church walls. We have partnered with the Methodist church and have become a part of the Bread of Life Food Ministry. We have also started a bible study every other Wednesday at the Clarendon Care Center. We also noticed that the community had a lack of youth ministries so we have started ministering to the youth of Clarendon. The only way possible to do any of these ministries was through constant prayer. We may be a small church of mostly retirees but God is using us as vessels for His glory.

Cleburne Church of the Nazarene

Pastor Tom McNutt

Significant Ministry Highlights This Year

We praise God for another eventful year. We received 5 new members by profession of faith and two transfers and baptized one, my grandson who gave his life to Jesus.

Another blessing for God's Church, is spiritual healing and others who God has divinely healed. We have experienced the Spirit of unity working together for the Kingdom.

Our yearly western Roundup which is open to the community with gospel singing, BBQ and fun brought around 100 people.

Our VBS was special, helping the children learn about Jesus and the joy of the Spirit. The children raised \$300.00 for children's missions.

Thank God for a loving Church family that loves to serve. To God Be The Glory!!!

Dalhart Church of the Nazarene

Pastor Rick Calvert
 (Dalhart Casa de Oracion*)

Significant Ministry Highlights This Year

The Dalhart Nazarene Food Pantry became a partner with High Plains Food Bank. Some of the benefits are we receive all surplus food from United Grocery at NO charge and HPFB delivers 5,000 pounds of perishable foods monthly for distribution. The pantry was able feed 1,387 families totaling 5,464 people an average of 60 pounds of food per family monthly. This came to 94,675 pounds of food distributed at a cost of \$679. That is \$0.12/person.

We open each distribution with a devotion and a prayer. As the people are waiting for their food, I talk with them and ask about prayer request. If they ask for prayer, I pray for them right there. I have had several tell me no one had ever done that before. I also ask about their salvation and tell them about the great blessings God has for them if they were to choose to accept them. Some ignore me and some have accepted the Lord.

No one leaves without knowing who provided the blessing they received. The food pantry allows me to plant seeds and occasionally reap a harvest.

Significant Ministry Highlights This Year

During this year we searched the presence of the Holy Spirit in the church, we did not focus on the number of people. As a result, we have seen the church overall grow. We have seen the youth ministry grow we have seen the worship ministry grow and all areas of the church are stronger. This year we have seen the leaders take more of an active role in leading their ministry area. We have seen 12 people accept Christ, and 10 people baptized. All these things are for the Glory of God!

Denton Hope Community Church of the Nazarene

Pastor TBS

Significant Ministry Highlights This Year

We want to express appreciation to Pastor Burnie and Peggy Burnside for their 34 years of ministry here at Denton Hope Community. Their impact on lives will not be fully known this side of Heaven.

Their ministry truly gave hope to so many who had no hope. Broken lives were put back together, some were pulled back from the precipice of destruction and many found a new direction in Christ.

They have faithfully served through good times and tough times.

Our prayers and thoughts go with them as they enter this new chapter of retirement.

Thank you again and may God's blessings rest on you in all your endeavors

Denton Willowwood Church of the Nazarene

Pastor Mark Ramsey
 (Denton Willowwood Chinese, PAC)*

Significant Ministry Highlights This Year

This year at WWCN, we saw nearly thirty people accept Christ through our ministries.

Willowwood Celebrate Recovery celebrated two years of ministry. This ministry has seen the rescue and restoration of families and individuals.

Our Abundant Life Food Pantry reached more people this year due to our Facebook ads and developing the outreach. Our director, Tricia Williford, led another lady to Christ in February and we had ministry and prayer with nearly 50 families each month this year.

The Chinese Outreach reached a milestone this year. We passed one hundred Chinese students who received Christ through the ministry of Willowwood Church. Attendance on Saturday Night's Chinese Fellowship and Worship has averaged almost 120 during the past six months. **[NOTE: Please do not publicize online the connection to China that our church has developed.]**

After years of prayer and preparation, WWCN has helped begin a new church plant in the Justin area with Pastor Candice Jones leading the new iBelieve Community Fellowship Church of the Nazarene.

Denver City Church of the Nazarene

Pastor David Hollon

Significant Ministry Highlights This Year

A lot of changes have occurred this past church year. In April 2018, Jett Davis received a call to become the full-time youth pastor in Barnesville, Georgia. He and his wife, Megan, ministered to our youth for almost four years. We were fortunate to have Josh McLemore serve as an intern for our teens over the summer. We are praying God will help us meet the needs of our teens in the coming days.

These are some of the highlights of this past church year: In May, we honored 4 graduates with a special service. We held our VBS week in July, hosted a cookout and movie night in August, held revival services with Chad Seabright in November, and had a wonderful Christmas Eve worship and communion service. We added 1 new member to our congregation and I had the honor of baptizing 2 precious ladies into Christ.

Three ladies, who were part of our church family, passed away this past year. We also had six people move away. Losing nine people in one year is difficult for a church that averages less than 40 people. We have had to restructure our church board and are trying to fill the numerous ministry responsibilities they were involved with. It has become quite a challenge and we're praying the Lord will lead us in new areas of growth in the coming church year.

DFW Living Christian Church of the Nazarene

Pastor Luri Thang

Significant Ministry Highlights this Year

God has been so good to us this year that we changed the name of the church. The last six years, the church name has been DFW Matu Christian. Matu is the small tribe in DFW area, so other Burmese would not come to worship with us. I prayed to God many years about changing the name of the church. God heard my prayer this year. Now my church name is DFW Living Christian Church of the Nazarene.

We have a crusade 3 times a year, and we do prayer meetings every Saturday. I share the gospel of Christ to Burmese at Haltom and Watauga. This is my vision.

Last year my church had total members of 112 people. 11 members moved to another state and six families left my church. (They were against the Church of the Nazarene.)

We believe that God will bless us more in the future

Significant Ministry Highlights This Year

During the last year God has given the church many opportunities to express and show the love of God to those in our community. Being in a small community it is easy to know when someone around us is sick, going through hard trials, or has experienced a death in the family.

We continued several of our yearly events for our Sunday school children with the purpose of having their parents come. At Easter we held our 4th annual Community Easter Egg Hunt. The children and parents were given a free meal before the egg hunt, and after the hunt was over every child received a free prize and a bag of candy.

This was our 4th year for our Halloween Hot Chocolate and Cookie giveaway after the Volunteer Fire Departments Halloween Hayride. Working with the Fire Department each year gives us a great opportunity to serve and love our community and brought many families by our church to warm up and have refreshments.

Dodson Church of the Nazarene

Pastor Al Mixon

Significant Ministry Highlights This Year

This year we were involved in having the Todd Becker Foundation come to minister to our youth. Danna Robinson, who works with our youth in the Dodson Church, contacted the Foundation after they came to Wellington. Danna organized the Hollis Churches to come together for the school assembly and an evening service for the Hollis youth. The Todd Becker group is a ministry team that goes into the High School and tells the story of Todd Becker.

A music group shares a concert for the youth and then Todd's brother, Keith, shares Todd's story of a life cut short because of drugs and a fatal car accident. The Becker group shared with the youth at Hollis High School and many young people came forward to give their life to Christ.

We also had a great Sunday when Stan Smith, World Champion calf roper, came to speak with us on Cowboy Church Sunday. We had a great crowd and lots of music, with a meal after the service. We had horseback rides for all the children and a great time of fellowship.

Our Family Life Center is used on numerous times through the year by the church and by our community. Dodson is a small town and our FLC is always open to our community. We believe the church ministers to our community through allowing them access whenever it is needed. We have made it known that the FLC is a place for everyone to gather should the community be without electricity for an extended period. Our generator can meet a need as we minister to our community.

Church of the Nazarene
 Pastor Steve Swanson

Significant Ministry Highlights This Year

We declared this the “Year of Renewal”. It was a several step plan and ... most of those plans ran into problems. When we plan, God laughs, but it has been a good year.

We continued to participate in outreach through Snackpak 4 Kids and sponsoring the local alternative high school including presenting Bibles to 92 graduates. We also studied “Becoming a Contagious Christian”. On Halloween night, we gave out flashlights (and tracts) and hot chocolate to trick or treaters while in revival services with Rev. Noe Diaz. We gave out 150 mini-flashlights.

Our church has struggled with Sunday morning Sunday School so we moved kids’ and teens’ Sunday School to Wednesday nights. One of our adult classes switched to a small group format at the pastors’ home on Saturdays. We tried a new VBS format.

We love missions and often have more than one missionary speaker a year. This year, Pastor Kor Chakud preached for our faith promise and we exceeded our goal by over \$5,000.

The pastors went on Sabbatical after serving 14 years in Dumas. Pastor Steve also serves as a hospice and hospital chaplain, and a substitute teacher. Pastor Rhonda continues as a minister disguised as the head choir director for grades sixth through 12 in Dumas ISD. Her days range from teaching 150 kids to 500 kids. She also leads our worship services. We also opened our church doors for a Junior High Choir concert this year

Dumas Nueva Vida Church of the Nazarene

Pastor TBS

Significant Ministry Highlights This Year

We received one new member this year.

Our first year with Faith Promise went well. In addition to our regular WEF, P&B, District, SNU budgets and Alabaster offerings, we were able to raise enough to meet our goals supporting Global, District and local ministries to make us a 24% church (a significant accomplishment by God's grace for a congregation our size).

Pastors Phil and Martha Patalano moved from our church to Snyder, Texas in mid-November. Pastor Noe Diaz has been working with us since their move.

Recibimos un nuevo miembro este año.

Nuestro primer año con Promesa de Fe corrió bien. Además de nuestros presupuestos regulares de WEF, P&B, Distrito, SNU y Alabastro, pudimos aumentar más nuestro apoyo para soportar nuestras metas de apoyo a los ministerios locales, de distrito y locales para convertirnos en una iglesia del 24% (un logro significativo por la gracia de Dios para una congregación de nuestro tamaño).

Los pastores Phil y Martha Patalano se mudaron de nuestra iglesia a Snyder, Texas, a mediados de Noviembre. El pastor Noe Díaz ha estado trabajando con nosotros desde que ellos se mudaron.

Significant Ministry Highlights This Year

This year at Euless Naz has been a year of transition, but the Lord is faithful. We have continued our outreaches to the community through school adoption, Easter Eggstravaganza, VBS, and other various events.

The highlight this year was our Night of Hope Party for Midway Park Elementary School where we had the chance to share the Gospel with almost 300 people from the neighborhood school we have adopted. With 13 of those making a profession of faith for the first time, it was a great night. It continues to bridge the gap between schools and church and allows us the opportunity to then have an ongoing relationship with the school all year round.

Fort Worth CrossPoint Church of the Nazarene

Pastor Todd Derbyshire

Significant Ministry Highlights This Year

CrossPoint had the unique opportunity to take into membership a group from three different African nations this year. Sharing a common language (Kirundi/Kiruwandi), a common story (refugees) and a great love for Jesus Christ, the group was desperate to find a body of believers that would accept them and help them in their spiritual journey. God led them to us! With great leadership from Niyi Sylvère and Alphonse Habinana. CrossPoint now has a Sunday afternoon worship service in Kirundi and the group has grown to over 50!

With this addition, CrossPoint now has 18 different nationalities represented in its worship services.

Pastor Corey Jones

Significant Ministry Highlights This Year

Pastor Corey and Beth Ann Jones, Pastors of Crossroads Tabernacle, are grateful for another year of God's faithfulness. We are excited for all that God has done, is doing, and is about to do.

We began 2018 with a corporate fast that only increased the burden in our hearts for the least of these in our community, our burden to see prodigals return home and our burden to see our church become a 24/7 house of prayer! As a direct answer to prayers, we have witnessed many prodigals return home! Over the last year and 1/2, we have personally recorded the names of over 80 prodigals that have been restored to the Father!

One highlight in April, two pastors became ordained elders in the Church of the Nazarene and one of our own was newly district licensed.

In October, we held The Awakening: A National Prayer Conference. Over 1500 Nazarene pastors and leaders were able to join us. It was an anointed time of worship, fellowship, and prayer.

Christmas was a special moment for both of our CT Fort Worth and CT Haltom campuses as we partnered with Angel Tree and Prison Ministries to give gifts to children in our communities whose parents are incarcerated. We gave hundreds of gifts out to many families and were able to minister to hurting children and families!

Our compassionate ministry, Mission 820 keeps partnering with our community to bring hope and restoration. We hosted several churches and even schools this past year as we offered opportunity to minister to the homeless, take P,B&J Kids clubs to the streets, engage in worship and prayer and partner with us to see our community restored!

Significant Ministry Highlights This Year

. This year at Fort Worth First, we have experienced an amazing year of discipleship growth, but some of the most significant moments have been in our Conqueror's Group.

The facts pointing to the number of men and women in our churches that battle sexual addiction are overwhelming. One of our discipleship leaders was moved by the Lord to open up a group following the Conquerors Series whereby the participants can walk through material, have real accountability and take the steps necessary to see true freedom from sexual addiction.

Since beginning the groups anonymously, we have had multiple testimonies of freedom never experienced through decades of bondage! These chains falling affect more than just those breaking free of addictive strongholds, but they also mean freedom for their spouses and children. The groups give enough time and consistency to see true transformation. The material has been amazing and we can't wait to see the statistics, that show the crippling nature of this issue within our congregations, begin to fall!

The beauty of what's happening is now members of the groups are being raised up to begin leading others through the material and experience the same freedom they've been given! We are truly making disciples that change the direction of people's lives for eternity!

Significant Ministry Highlights This Year

Praise God for another year of spiritual growth. During this year we have seen several miracles. One young lady was saved in a Sunday night service and has given her heart to God. There has been a dramatic change in her attitude and life, and she has affected her entire family. This is only one of several victories.

Several Miracles were evidenced in our yearly revival with Evangelist Pat Burkhalter! In the healing service on Friday Night we saw several healed from various diseases. One disease was Parkinson's disease, along with knee problems, back problems, & diabetes! Praise God.

We started a Face Book ministry which is touching lives in the community. Our prayer is that many will be won to the Lord Jesus Christ through this ministry.

Our people received much spiritual help at Camp Meeting last year. More than normal were able to attend from our church and caught the spiritual fire of the camp and brought it back to the local church. Praise God!

Looking forward to seeing what God has in store for us this year as we serve Him in building His Kingdom!

Significant Ministry Highlights This Year

BUILDING BRIDGES OF “FEARLESS LOVE” TO OUR MUSLIM NEIGHBORS.

A couple years ago God led us to reach out to our Muslim neighbors. We have prayed for them and with them. We have enjoyed great fellowship when we hosted them in a friendship dinner and attended their open house. This year we took another step and attended EID at the Mosque. This is the prayer service and feast when they break the Ramadan fast. God has honored our obedience in overcoming fear and reaching out in love to our Muslim neighbors.

To better understand our Muslim friends, we invited Pastor Gobran George, a West Texas District Arab pastor, to teach us how to build bridges of friendship to our Muslim neighbors. He preached to Northside about the importance of reaching out to people who are not Christian and then taught an adult Sunday School class for six weeks. He covered basic information on the fundamental beliefs of Islam in the Quran, Hadiths and Sharia Law. He taught us the misunderstandings that they have about the Trinity, The Bible and the resurrection. He gave us ways to graciously respond to them about these misunderstandings. We were reminded by Pastor Gobran that reaching out in “FEARLESS LOVE” is God’s way to build bridges of friendship to Muslims and everyone else.

Fort Worth Renovation Community Church of the Nazarene

Pastor Chris Branigan

Significant Ministry Highlights This Year

We were thrilled to see the launch of Naya Jeevan Church of the Nazarene July 8, 2018 in Arlington! Dr. Downs first connected Pastors Chris Branigan and Premal Awarsarmal in April 2016. Our church is thrilled to have played a very small part in this wonderful ministry reaching Asian-Indians.

The biggest news for our church was our “Public Launch” to the community as Renovation Community. In February 2017, Grace Tabernacle announced to the community (on our church marquee, our website, blog posts, and eventually removing our church sign). In the interim, we spent time planning how we would like a “new church” in our community to look like and care about.

Renovation Community Church of the Nazarene publicly launched October 14, 2018. Since our launch 17 new individuals now call Renovation Community their ‘church home.’

In summer 2018, we held our 5th annual 9-week summer day camp and feeding program. A total of 119 children attended our camp. 4 interns spent the summer with us while 10 different visiting youth groups helped us during week-long mission trips.

Significant Ministry Highlights this Year

Agradecemos a Dios por sus grandes bendiciones durante estos siete meses de apertura. Nos ha permitido tener ministerio de niños de diferentes edades, preparar líderes con visión a alcanzar metas, y pronto, con la ayuda de Dios se estará abriendo la sociedad de damas. Dios es bueno y nos está bendiciendo.

We thank God for his great blessing during the past seven months since we started the church. He has allowed us to have a children's ministry with children of different ages, to prepare leaders who have a vision to reach goals, and soon, with God's help we will be starting a women's ministry. God is good and He is blessing us.

Pastor Peter Orozco

Significant Ministry Highlights This Year

This year has been a rough one for River Oaks church of the Nazarene. We had some legal issues with a bad contractor and some other unforeseen expenses.

Thanks to God's providing hand we have started rebounding from those expenses and also received new members. Our retro-gaming convention that we host has grown and is introducing new people to our church. We look forward to a great year.

Fort Worth Trinity Church of the Nazarene

Pastor John P. Lewis

Significant Ministry Highlights This Year

From my childhood days of Sunday School I heard these words, "And Jesus walked among them." Every day when I go out to work, I pray that the Spirit of Christ goes before me, behind me, beside me, in me, through me.

In the business (retail store) where I go to work and minister over this past year, we have been able to lead to Jesus in a repentance/salvation prayer as many as 12 through "The Steps to Freedom in Christ". Many of these employees are doing the prayers, declarations, and statement of truth together as a support group. The store manager has asked me to take her and several of the assistant managers through it.

Now employees and several shoppers from the store are starting to come to church Sunday mornings. I don't know what God is going to continue to do, but . . . (more of the story coming next year!).

Fort Worth Westridge Church of the Nazarene

Pastor Ish Mora

Significant Ministry Highlights This Year

Westridge is a place where people truly and genuinely care about each other. Although it's been a transition year with growth, we continue to sense the Holy Spirit in our Celebration services and in our ministries. God uses our fellowship to ministry to the needs of our congregation and to those in need. Our church is a loving body of believers who love the Lord.

Westridge Church would not be a strong loving community of believers without its servants. Our people have a love for service and therefore our strength is really found in its lay leadership. That is why I'm proud to highlight this year's ministry at Westridge.

A highlight this year in ministry is our safety team. They call themselves "Fire Watch." A few men in our church took it on themselves to secure our facility during our Sunday morning gatherings by walking the perimeter of the church during our Worship Service. Not only that, we finally have a CCTV system installed that helps us have outside eyes while we are inside. With the recent shootings that have happened in America, having this safety team has given our worshippers a sense of security at a much-needed time in our culture.

We continue to thank God for the men and women who volunteer at Westridge Church and make it the great Church that it is.

Gainesville Eastside Church of the Nazarene

Pastor Jason Powers

Significant Ministry Highlights This Year

2018 was our best year of ministry here at Eastside. It has been a long and difficult road, and it seems we are finally making some headway. There are two things I'd like to share:

1) We are making some good contacts and inroads with the local community college. We are seeing some international students and some employees that we have made friends with now starting to come to church. We have had four visitors the last few months that are returning and we are excited about the possibilities to minister to them. We have a young couple that have a new baby girl, he was raised in the Nazarene Church in the Granbury, Texas area.

One of the exciting stories that I would like to share is the story of a young lady that has come twice to our church. I want to be very careful of this testimony for her sake. She is from another country, and a completely different religion. The new person that brought her to church told me, after her first visit, on the way home the young lady said, "You know, I believe in God, but I don't know much about Jesus." She then expressed her desire to come back and learn more. It simply doesn't get any better than this.

2) Lots of capital improvements have been done on the parsonage and church. Some we decided to make and some we had no choice. It really looks like an entirely different place.

There are still challenges with leadership in all areas and still some major financial challenges but we know God is bigger than finances! We will continue to seek Him to help us develop new disciples and leaders for ministries. WE truly desire to reach new people as we minister to our community. We are excited about the future as we trust God to lead us.

Significant Ministry Highlights This Year

Our church remains involved in providing Christmas toys for underprivileged children at a local elementary school. We provide pillows for those in the hospital and we also provide toiletries for the ladies in our local crisis center.

I remain active in the Ministerial alliance that meets monthly making plans for reaching our community for Christ and pray for the pastors and churches. We are currently planning for a county wide revival to be held in 2020. My wife, Sheree, has sent letters to each church in the county encouraging the ladies to be involved in meeting together monthly to pray for their individual pastor's and the upcoming revival.

The local hospital invited me and several other pastors to become involved as chaplains. This affords many opportunities to minister to those in need.

I am meeting with and ministering to individuals who have been released from prison, but due to their offense and as part of their parole, they are not allowed to attend church services.

Two of our new members are musically talented, so we now have a music director who sings, plays piano and guitar and another new singer for our praise team. We are planning gospel jams and hope for lots of community participation.

We are blessed to have met all our financial obligations and allocations again this year.

We continue trusting God for both spiritual and numerical growth and workers for the harvest.

Significant Ministry Highlights This Year

2018 was an exciting year for us, we continue to work in our community proclaiming the Good News in word and deed. And in our church God is on the move, He has answered our prayers and raised up leaders to minister to our youth and young adults.

We have added a Youth/Young Adult Sunday School Class and we can already see the fruit of that ministry; our young people are being edified and are eager to serve the Lord. As a result, we have added a contemporary element to our worship service. God's Love compels us to be intentional about reaching the younger generations!

We are seeing great changes in the lives of our young people and feel so privileged to be part of His Amazing Church. We are excited about what God is going to do. Praise Him!

Significant Ministry Highlights This Year

It is my privilege to share my 2nd report on the West Texas District! We have been focused on reaching out to our country community since we arrived; every heart matters to Jesus! We have made efforts to meet all in our community who are, and are not yet, a part of the Body of Christ. We have prayed, knocked on doors, chatted along the way, prayed, hosted a community cook-out, prayed, caroled with Christmas bread, given blankets to gin workers, and prayed seeking to do life together in Jesus.

After another chat last spring, Maria invited Jesus into her heart. Maria is in her 70's and has had a hard life. She says she always believed in God, but had never understood making a personal commitment to Jesus. She was eager to pray for forgiveness and salvation, and as she finished praying, her face was shining; she was suddenly energetic and exuberant! Since then Maria has been eager to get to know the Lord and Scriptures. She has met almost weekly for discipleship. Maria is hungry for more of Jesus! She has started sharing what Jesus did in her life with her family! We are praying for their salvation too! Maria joined the Church of the Nazarene in February with a grateful heart for how Jesus has changed her life!

Hamlin Church of the Nazarene

Pastor Michael Murphy

Significant Ministry Highlights This Year

We welcome our new pastor, Rev. Michael Murphy and his wife Brenda.

This year has been a year where the compassionate ministries of Hamlin Church of the Nazarene have grown by leaps and bounds. We have attempted to be a Matthew 25:35-36 church in those ministries! Our clothing closet, Clothed in Christ, has been able to clothe several families in some of the hardest times of their lives, along with many individuals in need of protecting articles of clothing and prayers. We ended up sending over 50 shoe boxes to Operation Christmas Child this year and know that many children received not only the boxes we packed, but knowledge of the gospel of the living Christ through our gifts.

We have also been able to provide food and comfort for the various families whose loved ones went home to see our Lord this year through our stewardship program of providing funeral dinners for even those who didn't even attend our church. We have been reaching out to the sick and infirmed by being the church that spearheaded offering worship at our local nursing home facility, Homeplace Manor.

Lastly, we continued to offer meals to those who are sick and unable to care for themselves through our various situations. It has been a year of great compassion here at Hamlin Church of the Nazarene. Hopefully next year our Lord will give us more opportunities to be His hands and feet.

Significant Ministry Highlights This Year

A doctor proclaimed a sister in the church with deadly cancer. For a month straight in every service we prayed for her and the cancer disappeared. The doctors were amazed! Three different doctors tried to verify the cancer. All the doctors came back and said she was cancer free. This is the power of prayer!

A daughter from one of our board members had a stroke. We prayed and rebuked all the sickness off her body, and God glorified himself. She was healed! Not even three days and a miracle happened in her life. The doctors said she would not be able to walk but she is back at work as a normal person. We praise God for her! We give all the glory and all the honor to God.

Every three months we have a fellowship. We have people give their lives to God. On Valentine's Day we have an open-door service and offer our church. We have live music, food, prayer and fellowship. We also have movie nights for teens. On New Year's, we fast for a whole week

Higgins Church of the Nazarene

Pastor Cawlie Johnson

Significant Ministry Highlights This Year

This year has been a busy year for the Higgins church. Ministry in an aging community brings with it many challenges and opportunities. This year we have had the opportunity to minister to many un-churched families through their times of need. We have ministered by providing funeral services as well as funeral dinners to many. While we haven't seen any new attendance from this we stand on faith that the seeds of love have been planted and will bring forth fruit.

This had also been a year of transition for our church. Starting the first Sunday of October we changed our morning worship service to 9:30 and Sunday school to 11:00. This was done so I could be the Pastor to both the Higgins Texas family as well as the Shattuck Oklahoma Nazarene church family. We saw a slight drop in our average worship attendance and an increase in the Sunday school attendance after October.

As a Church we look for ways to help in both our local church body as well as the community. We joined with the other two churches in town to supply a Thanksgiving dinner to the community. We gave a devotional while everyone was enjoying the meal. Enough food was prepared so that many to go plates were sent home with those that attended. I believe this helps to reinforce both our presence and compassion for those that live in our community.

We helped the lady that cleans our church when she fell at home and broke her leg by paying her what she would have made if she was able to clean, until she was able to return to work.

Significant Ministry Highlights This Year

First of all, I would like to thank the Lord for His grace and unfailing love. It is through His grace that we continue to show to the lost that Christ is All.

We have been blessed to continue to see slow but progressive and lasting growth in our youth ministry, which we call SOURCED in reference to ACTS 1:8. This year I had the blessing of baptizing one more teen, this makes a total of 4 teens saved and baptized in 18 months. It has been amazing to see their lives being transformed by the Holly Spirit. They are committed not only to God, but also to the church.

We also continue to reach out to the community by handing out school supplies at the beginning of each school year. This year we participated in the National Night Out at our local city park and handed out Snow Cones and Popcorn.

Hurst Pursuit Fellowship Church of the Nazarene

Significant Ministry Highlights This Year

It seems we have been incognito this past year or so. The church's street sign was destroyed by a drunk driver several years ago and could not be replaced due to the subsequent two years of street widening and construction by the city. So as the church family here comes to know and love Christ more, they invite people by word of mouth to come to the church with no sign. And several have come and stayed! We look forward to a real street sign this year!

One ministry that is growing by word of mouth became a new addition to the youth leadership here. A mom of five found out in the last year or so that she can play the guitar and she loves to praise the Lord. (She and another mom of four, trade weeks leading worship in English and Spanish, they are awesome!) Amie, the mom of five, invited teens to practice on Sunday evenings with the goal to lead praise and worship those months with five Sundays. They've been at it for almost a year, working hard at it and they truly honor God by leading Sunday morning worship. But it's how God is blessing that makes you smile! The teens talk to their friends about this band they get to play in and several new students have joined the group and help lead worship on the fifth Sundays. Several are going to bring their worship team to Extravaganza this year for talent competition. God is leading through the teens, teaching through the moms, and bringing praise and glory to Himself through His people!

(Justin) iBelieve Community Fellowship (CTM)

Church of the Nazarene

Pastor Candice Jones

Significant Ministry Highlights this Year

We Believe in living out the greatest commandment to love God and our neighbor through the “least of these” by being the hands and feet of God in the community and everywhere we go to make disciples of all nations as a outreach church. Matthew 22:37-40; Matthew 25:40, Matthew 28:18-20.

The complete vision for iBelieve is a sanctuary that is separate and always open for prayer, a women’s rehabilitation home that we will call the “rest cottage” because there is not a rehabilitation home for women anywhere in the Denton County area. There are homes for men but not women. We hope to minister to the least of these by creating an environment where women can be rehabilitated and back out into the community, stopping homelessness before it starts.

We hope to capture the same grace given in the original “rest cottage” from the early days in Pilot Point Church of the Nazarene. iBelieve is praying to have vegetable gardens, cows, chickens and a pond to feed the women in the home. We are praying for guidance as we position our women and the home to have a way to get back on their feet and back into society. Our hope is that they too can build the kingdom by reaching out to others ministering the same comfort in which they received from God. We also hope to purchase property where we can have An equestrian therapy for autism as a ministry for iBelieve to reach out to families that need help in these areas. We are dreaming big with a vision that God has given us.

Currently we are reaching out in Justin with feed the need on Thursdays. We are also going to be partnering with a clothing donation box that is led by four women in the town. We meet two times on Sundays 11am & 3pm at Harvest Farmhouse coffee and treasures. We also meet at the barn amenity center, the back porch amenity center for training and discipleship and the community ball park in Justin Texas to reach out to families in sports by hosting an event once a month to reach out big into the sports field where so many families go on Sundays. We plan to build relationships in the town of Justin and be the hands and feet of God within the community.

Significant Ministry Highlights This Year

It is our privilege, as a small church, to be a part of something much bigger. We were able to take funds to Juarez, Mexico, to begin the building of a ministry center for the North Mexico District under Superintendent Dulces Chavez. It will begin in the near future with the District Superintendent's residence and the ministry office. Missions is on our minds and in our hearts. We are also planning on being a part of the Indian Church of the Nazarene in Fort Worth. Our annual Work and Witness team will help remodel the parsonage for Pastors Premal and Kavita.

We have had a great year serving the Lord and reaching out to our community through the Nazarene Missions Ministry lead by our NMI President Tammy Gibbs. They have been raising funds for missions as well as giving away items that families need. It is a place where we can give encouragement to people, pray with them, give them food from time to time and sell donated items to raise money for many different types of missions including Mexico, Fort Worth Indian Church, African Relief Ministry, African Nazarene Church in Cactus, and helping with funds for individuals going to foreign countries on Work and Witness projects. It's always a delight to give and as we give we find the Lord giving us more funds to be given away. God is good

Lantana Community Fellowship Church of the Nazarene

Pastor Cal Callender

Significant Ministry Highlights This Year

We have spent this year asking ourselves, “Why do we do what we do?” We have taken our cue from Jesus when he gave his followers the instruction to, “Go and make disciples of all nations, baptizing them in the name of the Father the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you.” (Matthew 28:19-20). We recognize that our duty is to reach people for Jesus and to disciple them. Specifically, at our church we found that our why is to love like Jesus so that lives change. We expect to do this by loving God, loving others, and loving our community.

In my first year as pastor in Lantana, we have seen many great things happen. We started a community centered Easter egg hunt where over 500 people from our community gathered and the gospel was presented. We had a massively successful VBS with over 200 children in attendance. We started an active womens ministry. We had a fall outreach on Halloween night where there were 6 Lantana stops across our area. We presented the nativity story to over 300 people, told through an introspective Christmas tree walk. We have seen people called in to ministry and receive their local license. We will continue to strive and be a beacon of hope for all who would listen about the Kingdom of God. That freedom can be found through Jesus, in His Kingdom, today and forever.

Pastor Hugh Hays

Significant Ministry Highlights This Year

Last Easter all 5 persons from one family were baptized. Now we are ready for all 5 persons (and a couple of more) to become members this Easter.

We are continuing an exercise we started last year. During morning worship, as the announcements are being made we encourage people to write down a “thank you” on a colored strip of paper (handed out as the people enter worship). The papers are then collected in a see-through plastic jug. (Use different colors of the bright paper, 5½ x 1 ½ inch strips.) We did this until the jug was full. Now each Sunday, during our worship service, we read some of the papers as a “living thank you to God”.

We have helped with a program that began about nine years ago in honor of a son and brother of one of the families in our church. The program is called “Bill’s Backpacks”. It began as a way of helping some high school students that were on food assistance at the school. Bill’s sister recognized that these students did not have any food in their homes over the weekend and depended on the school breakfast/ lunch program for their primary meals. Backpacks were purchased and food was donated or purchased from donations. Each Friday selected students went home with an extra backpack full of food for their families. Today, nine years later, the program is thriving in several schools and the community leaders have formed a 501C3 corporation to continue the work.

Significant Ministry Highlights This Year

FCN has continued this last year to focus on going outside the walls of the church. The word "GO" was given to us by Jesus when He told us to go and make disciples. FCN took evangelistic teams to Brazil, Puerto Rico and Thailand to share the gospel.

We also have gone into our community and continued ministries at Overton Elementary School, with the skate-board community and provided benevolence to many in need.

Twenty dollars was given to every member at FCN to "GO" and bless someone that had a need. Many added extra dollars and there were countless testimonies of lives touched and ministered to.

Rooted groups helped to develop community within the body, and as we grew together we worked harder to advance the kingdom work.

FCN has enjoyed a constant revival atmosphere. The leadership and staff have diligently prayed for a presence of the Holy Spirit to rest upon His people and work. We come to church with an expectancy of what God will do next. We desire to be Presence driven and ready to be led into a greater awakening.

Lubbock Refuge Church of the Nazarene

Pastor Travis Zachary

Significant Ministry Highlights This Year

This past year we realized that there were many blended families in our congregation. Our staff met together and began to seek God for direction on how we can best support and love our blended families.

Under the direction of Pastor Alan Wallace, lay leaders Conrad and Vickie Lyford began to put together their own curriculum based off of personal experience. We launched this year with a monthly meeting. What we found was heartbreaking. Most families want their home to be filled with love and compassion but many parents do not know how to accomplish this because they did not grow up in a Godly home. All we have done is come along side these families and share with them the Godly boundaries we have in our homes and commit to walk with them as they implement their own. The outcome is overwhelming. Relationships are being nourished and restored in these families right before our eyes. It reminds us that God is still accomplishing what He desires in the hearts of families if we just take the time to walk with them and encourage them with God's love and truth.

Muleshoe Nuevo Pacto Church of the Nazarene

Pastor Rafael Cordero

Significant Ministry Highlights this Year

God has helped us in mysterious ways. We have been diligently working hard to win lives for Christ. This year we have had new people visit our church and join us in worship and listen to God's word. These new people are from Honduras and have a great love for God. They come to our services but also ask that we visit them in their homes to speak of God's word. We are trying to guide them in God's path but at times it's hard for them to understand that God has a purpose for them. We have also had different people just randomly call us and ask that we go to their homes to talk about God or to pray for them. We have been going to different homes spreading God's love.

This year we also have traveled to Clovis, New Mexico to reach more people. We are trying to show people God's love, so they will accept him and seek him because he is the one that provides and blesses us each and every day. We are here to lift people's spirits up, spread God's word and guide them in Christ's path. He is our leader, our pastor, our God, our peace and without him we are nothing.

Church of the Nazarene
 Pastor Marvin Pepper

Significant Ministry Highlights This Year

Praise the Lord! As I sit and reflect upon this past church year, I am reminded that time and time again God is faithful. Many times I am tempted to throw in the towel and give up but once again God gently reminds me that He is in complete control and is faithful to lead us through.

As He has worked on me this year, He has also worked within the church. Our current challenge is letting go of the self-centered, self-righteous attitudes that can infiltrate the church at times. As we are seeking the Lord to move, He has answered a prayer of mine that I have been praying for nine years. We now have two active prayer meetings that meet weekly. God is moving.

As we wade into a new year, I am constantly reminded of the challenges of serving in a small community. After being here for ten years, most in the community know who I am. Now for them to realize who God is to and through me. Many know my position but have yet to get to know me. I am striving to be more than the Pastor at the Church of the Nazarene, I want to be a friend, a confidant, a spiritual leader to the people in this community. As God answers prayer, we will see Him do great things.

Pampa
Church of the Nazarene
 Pastor Jimmye Cole

Significant Ministry Highlights This Year

We started the year with revivals. One was with Marcus Whitworth and Noe Diaz (the younger generation) and the second was with Dave Belzer, a retired evangelist who still delivers great holiness messages.

Our ministry to veterans and military is important to us. We fly our flag proudly, have a float in the Veterans Day Parade, purchase military Bible sticks for chaplains to give to military personnel and pray for them regularly.

The men's ministry has stepped up this year to read through the Bible in a year and they have worked hard on several projects.

This is the first year in a decade or more not to lose a church family member to death.

Pastor Jimmye went with the team to work in Puerto Rico and is making plans to go back.

We are praying for the next pastor to lead Pampa Church to better days in evangelism and ministry to our community. We have resurrected Wednesday night prayer meeting. We are praying for our community, our district, and our general church.

Pilot Point Grace Point Church of the Nazarene

Pastor Dwayne Edwards

Significant Ministry Highlights This Year

What an exciting year it has been at Grace Point. Our **mission** is: *To know love of Christ and make that love known.* And it's followed by our **vision:** *To reach the greater Lake Ray Roberts area with the good news of God's love and grace.*

A new ministry came from changes in children's ministry—kids moving to Jr High opened up new opportunities for a new Jr High ministry and new leadership—Kristopher Aulie.

Two of our outreach ministries are also seeing new growth. Our Father's Day outreach, Dadfest, had 160 people in attendance hearing the gospel. We start the day with a car show and had over 35 vintage vehicles with overflowing outside attendance at the worship service. After the outside service, we serve a catered Bar BQ and have a rock n roll band playing the oldies. It's a great experience that is growing every year.

Our Christmas Under the Stars, Christmas Eve Candlelight Service on the old historic square in Pilot Point saw over 100 in attendance.

Our passion is to reignite the vision that birthed the Church of the Nazarene in Pilot Point and around the world. Keep praying for open hearts.

Significant Ministry Highlights This Year

We can say with utmost confidence that God has been very good to us this past year! We give Him all the glory and honor for helping us through it and for bringing us a new member.

We still believe that He is in control and is leading us into growth as we continue to outreach into our community. He has great and wonderful things in store for us in our future and we're trusting Him in it all.

The Post Church is now a distribution site for the "South Plains Food Bank" giving food boxes to our Senior citizens. It is a great opportunity for us to reach out in Christ's love to these people. It's been a blessing for them and us!

We would love to know that your prayers are with ours in reaching out to Post, Texas. We are praying for all of the churches on the West Texas District, that God will richly bless us where we do His work.

 Church of the Nazarene**
 Pastor Jack Smith

Significant Ministry Highlights This Year

On October 26-28, Prairie Point Church had a Fall Harvest Celebration; a Friday over Sunday weekend that opened on Friday night with a Revival service with pastor Lon Eckdahl from Oregon preaching.

Saturday included afternoon community actives of assorted games, bounce house, an hour-long old fashion hayride. After the hayride, a camp fire marshmallow and hotdog singing choruses we sang as teenagers such as “Come By Here Lord”, “Joshua Row the Boat Ashore” and others. Pastor Lon gave a camp fire devotional.

Sunday was a evangelistic service and a community song fest. An awesome weekend of spiritual togetherness. Seventy Seven in attendance. Prairie Point Church thought out of the box and one new family was won to His Kingdom and to our church. We praise the Living Lord and our home people.

Significant Ministry Highlights This Year

We continue to make the effort to connect with the local residents. We engage in providing various community events in cooperation with the other churches in the community, specifically at Easter and at the beginning of school.

We are praying and working to make Sunday morning a positive encounter with the living Christ for those who choose to worship with us. We believe the Lord is at work. We are seeing new faces come through the doors and lives transformed.

Seagraves
 Church of the Nazarene
 Pastor Greg White

Significant Ministry Highlights This Year

God's Word tells us to "Remember those in prison, as if you were their fellow prisoners..." (Hebrews 13:3). Psalm 102:19-20 says, "The Lord looked down from His sanctuary on high to hear the groans of the prisoners and release those condemned to death."

Our pastor is highly involved in revival preparation and evangelism ministries with different organizations in prisons across Texas. Many thousands of lives were changed last year in the preaching of the gospel in revival services in Texas prisons last year. In one 4-month period last fall, 130 souls came to Christ when Pastor White gave altar calls in the preparation services alone. Many others have been discipled and changed because of his writings and teachings. All glory to God in Jesus Christ our Lord.

Significant Ministry Highlights This Year

This has been a year of transition for us.

We appreciate the help we have received this past year through our interim Pastor, Taylor Robertson, and the others who filled in the pulpit before our new co-pastors joined us this past November.

During this past year we have completely refurbished the interior of our parsonage as well as continued in the hospice ministry from the year before.

Our goals for this new church year are to start up again needed youth and children's ministries as well a Spanish speaking congregation alongside our English one.

Please pray for us that God will grant us the growth we need to impact Snyder.

Stephenville Church of the Nazarene

Pastor Curt Plaxco

Significant Ministry Highlights This Year

It has been a wonderful year in Stephenville, TX. God has been good even in the struggles. Our finances have been a challenge, but we have learned to trust God more. People are stepping up and learning to give sacrificially. We never would have learned that without the challenges.

The highlight for our church this year has been the formation of our women's ministry. Last July two ladies went to the WOW conference and loved the wonderful gathering the District put together. They came back excited to start something new at our church. They have begun to meet and are growing closer. I believe this will be a large part of our discipling and welcoming of new people in the future.

Thanks to all the District event coordinators. Camps and retreats have all made a great difference in the lives of our people.

 Pastor Crystal Lewis

Significant Ministry Highlights This Year

We have focused on teaching the children about the Lord, we have led some of them to the Lord this past year and we baptized 3. We also started adding a pot luck and now have a time where we get together and pray and have fellowship with one another.

This past year I was able to minister to a young couple and officiate their wedding, they are on fire for the Lord. I am so moved and so blessed by the Lord and what he is doing in his church in Stinnett, Texas.

Wellington Church of the Nazarene

Pastor Michael Davis

Significant Ministry Highlights This Year

Living in rural America is tough. There are not a lot of options, so people become resourceful. They tend to help people out with a more trusting spirit. Here in Wellington we are trying to not just be inward focused.

We had our annual Back to School Bash with fun, games, supplies and message. We reached 12 families who didn't have otherwise.

During Thanksgiving and Christmas we know that times are rough. So, we put together food baskets and share them. The past three years we have gone from 2 baskets to 6. We love on the families and sometimes we even sing carols.

We do our best to give our underprivileged kids in the community an opportunity to serve. We work with them to do puppets, sing songs, and present art at our zone talent in Dodson.

We want people in our community to know that they belong to God, so that we lead them to believe in the saving grace of Jesus, and become empowered with the Holy Spirit

**Whitney First
 Church of the Nazarene**
 Pastor Greg Johnson

Significant Ministry Highlights this Year

On June 4th of this year we will celebrate 25 years as the parsonage family in Whitney. What an awesome experience it has been! I can relate to the words Jesus said, 'These are my mother and brothers.'

God has blessed this ministry and given us favor with the community. We gave a local license to two more young men last year, bringing our total to 15 over the years. We have provided an opportunity for the modular course of study to be taught at our facility for the past 12 years. It brings me joy to know that a small part of Whitney is ministering in churches across the West Texas District.

Wichita Falls Cristo Vive Church of the Nazarene

Pastor Allen D. Hughes Jr.

Significant Ministry Highlights This Year

Es un gran privilegio para mí representar la iglesia del Nazareno Cristo Vive Wichita Falls a la Asamblea del distrito Oeste de Texas. Tengo la bendición de poder dar mi sexto informe como su pastor. Este año fue una maravilla para mí personalmente. Mi hijo mayor se casó, así que mi esposa y yo finalmente tenemos una hija. Mi hijo de en medio se graduó de la escuela secundaria y ahora juega fútbol americano en SNU. Mi hijo menor cumplió 16 años y tiene una licencia de conducir. Mi esposa y yo fuimos bendecidos al ir a Israel con el distrito este año. Gracias Becky Glidden por organizar eso.

Como una iglesia, tuvimos un bautismo, una dedicación un bebé, y pagamos todos nuestros presupuestos. Tenemos también tres nuevo miembros. Gloria a Dios.

Wichita Falls First Church of the Nazarene

Pastor Allen D. Hughes Jr.

Significant Ministry Highlights This Year

It is my great privilege to represent Wichita Falls First Church of the Nazarene at the 111th West Texas District Assembly. I am blessed to be able to give my 14th report as their pastor. This year was an amazing for me personally. My oldest son got married, so my wife and I finally have a daughter. My middle son graduated from high school and now plays football at SNU. My youngest son turned 16 and has a driver's license. My wife and I were blessed to go to Israel with the district this year. Thank You Becky Glidden for organizing that.

As a church, we continued our neighborhood ministry by providing over \$7000 worth of groceries to families in the neighborhood directly connected to our church. Our hearts though are saddened at the loss of two of our great church members this past year. Neil Davis and Estel Jameson made lasting impacts on our church and they will be dearly missed.

This year we are extremely excited to see our children's pastor, Larry Gulley be ordained. I am very thankful for him and I know that God has great plans for his ministry.

Thank You for the opportunity to serve the Lord in Wichita Falls.

Wichita Falls Lakeview Church of the Nazarene

Pastor Eric DeLuna

Significant Ministry Highlights This Year

God is on the move at Lakeview!

This past church year, we have seen some amazing things happen in our ministry! We were able to revive some major ministries and events. We baptized 7 and had 13 babies dedicated to the Lord! We also welcomed 9 new members this year with more on the way. We had a VBS this summer for about 40 kids for the first time in many years. We were able to send 10 ladies to the WOW conference as well as kids and teens to camps this summer.

We have been blessed with an amazing and faithful benefactor who has given so much to further our ministry here at Lakeview! We have seen a great change in our Men's ministries over the past several months as well! We have made some major upgrades in our Sanctuary and overall church building. We were truly blessed to have Rev. Todd Derbyshire come back to Lakeview and speak at our Revival services too! We as a church met our Faith Promise pledge and are thrilled with the faithfulness of our members. We have new Children's leaders and exciting things happening in our teen and adult ministries as well!

We are looking forward to seeing what God has in store for us this next year and the years to come!

1. District Finance

We, the West Texas District Finance Committee, submit the following recommendations:

Funding the Mission

1. In accordance with Manual ¶ 238.3, we recommend that each local church utilize the “Funding the Mission” plan for funding the global ministries of the denomination, USA Pensions and Benefits Fund, Education Fund (Southern Nazarene University), and the District Unified Ministry Fund.
2. The Funding the Mission plan is based on contributing the following allocation percentages of church income to these denominational, regional, and district funds:

| | |
|------------------------------------|-------|
| a. World Evangelism Fund | 5.5% |
| b. Pensions & Benefits Fund | 2.25% |
| c. Education Fund (SNU) | 2.25% |
| d. District Unified Ministry Fund* | 5.0% |

* Includes NMI, SDMI, NYI & District
3. These fund contributions will be based on current year church income, which is defined (for budget purposes) as any donation received by the church as a “charitable contribution”. (This includes non-cash donations of \$5,000 or more, and excludes rental income, etc., that does not qualify as a charitable contribution.)
4. Church income given for World Evangelism Fund, 10% Mission Specials and other mission offerings will be subtracted from church income prior to applying the allocation percentages.
5. Churches are strongly encouraged to utilize the Funding the Mission website at www.fundingthemission.org to report year-to-date income (total), verify funds submitted have been received and recorded properly by Treasury Services, check progress toward reaching the baseline allocation goals, and utilize all on-line tools and information available.
6. Churches are also encouraged to submit their allocations to the proper ministries on at least a monthly basis.

Local

General Items

1. That each church board review this finance committee report at the first board meeting after the district assembly, item by item.
2. That the pastor and Church consult the Manual ¶ 115.2, relating to mutual goals and expectations.
3. That each local church develops a yearly operational budget. Any church desiring assistance in establishing an operational budget can contact the district office for assistance.

4. That each local church have a functioning finance committee, and that this committee develop a local budget.
5. That all church monies are to be accounted for as required by the Manual ¶ 129.20-23.
6. That each local church obtains property and adequate liability insurance coverage on all church property. Property coverage should be for the full replacement value of the property. We further recommend that each local church provide the District with verification of coverage on an annual basis.
7. That we commend Nazarene Bible College on carrying out its mission “to glorify Jesus Christ as Lord by preparing adults to evangelize, disciple, and minister to the world” and, that each church observe the first Sunday of October as Nazarene Bible College Sunday by receiving an offering sponsored by the church and/or budgeting an appropriate amount. This offering is to be sent directly to Nazarene Bible College, 17001 Prairie Star Parkway, Suite 300, Lenexa, KS 66220.
8. That we commend the Nazarene Theological Seminary for its diligent preparation of ministers and missionaries that now serve around the world. We recommend that each church designate an appropriate amount to be sent to NTS, or receive an offering for the same purpose during the month of January. The offering is to be sent directly to Nazarene Theological Seminary, 1700 E. Meyer Blvd., Kansas City, MO 64131.
9. That each local church receive a special offering for Arrowhead Camp and Retreat Center and Family Camp the last Sunday in August each year.

Pastoral Relations Items

10. We recommend that the Pastor’s salary with a cost of living and a merit raise be reviewed each February.
11. That the local church pay the pastor’s Social Security (Self Employment) tax at the prevailing rate (including housing allowance or estimated fair rental value of parsonage for the current year), to be paid at least quarterly, and all tax matters be kept up to date.
12. That an expression of love and appreciation be shown the pastor by giving him a love offering of one week’s pay or more as a Christmas gift.
13. That the local church gives the evangelist his Social Security tax and Medicare tax and designate a part of his offering for parsonage allowance and utilities.
14. That all churches pay mileage of at least .45¢ per mile plus meals and lodging of the pastor, pastor’s wife, and official representatives to annual district gatherings, and that each church set aside funds to be used toward the pastor’s general assembly expense.
15. That the church provide the pastor full reimbursement(at the annual IRS approved rate) for car, housing and professional expenses that are legitimate in the pursuit of his/her local church work; tax-deductible expenses should be reported on the annual pastor’s report as local church expenses (5a)
16. That the local church work with the pastors and their spouses to provide adequate health insurance coverage for the pastor’s family.
17. That the local church and pastor be encouraged to participate in a tax-sheltered annuity retirement plan for the pastor. We also recommend that the Church provide life and disability insurance for the pastor.

18. That the local church give the pastor and all full-time ordained staff members a paid vacation on the basis of the total years of service to the Church of the Nazarene, as follows:

| | |
|-------------------|-------------------------------|
| up to 5 years, | 2 weeks (including 2 Sundays) |
| 6 to 10 years | 3 weeks (including 3 Sundays) |
| 11 to 20 years | 4 weeks (including 4 Sundays) |
| 21 years and over | 5 weeks (including 5 Sundays) |

These are to be considered as minimum recommendations and may be increased per local church policy.

- a. That vacation time be used during the year with a maximum of two weeks which may be carried over to the following year.
- b. One week vacation per quarter or $\frac{1}{2}$ of allowed vacation time be for the 1st six months of the year be offered or compensated for in the first six months of the year. If past the six months period, additional weeks may be allowed on a quarterly basis for vacation time or compensation.
- c. That pastors be allowed to take an additional 2 Sundays off as professional time for other speaking/preaching opportunities. Additional time may be arranged through the church board.

19. That each Church implements a sabbatical program in compliance with the Manual ¶ 129.10. We further recommend that the local church implement a sabbatical program similar to that outlined as follows:

Sabbatical Leave Policy

Sabbatical Defined: An extended time away from routine ministry for the purpose of renewal, retooling and receiving a fresh vision. This is not to be considered a vacation time.

Length of Sabbatical: At the first pastoral review, the church board shall implement a policy of a one week sabbatical during the third year of tenure at that local church, and further, according to the Manual ¶ 129.10 which reads as follows: "In order to encourage a healthy pastoral ministry and the lifelong learning of the pastor, the church board, in consultation with the district superintendent, should provide a sabbatical leave for the pastor following each seven consecutive years of service in one congregation." The timing and duration of the sabbatical shall be determined in consultation with the pastor, church board and district superintendent. It is strongly urged that the pastor's salary continue in full and the church board provide for pulpit supply during the sabbatical period. Materials shall be developed and distributed by the appropriate department of the church to guide local congregations in establishing and implementing a sabbatical leave policy and procedure..." The church should allow the pastor and all full-time paid associates a sabbatical of a time period to be determined between the pastor, church board, and the district superintendent. This time can be taken in successive weeks or in less extensive increments, as the pastor and church board agree.

Local Church Responsibility: To extend full compensation, benefits and love offering to assist in travel and other expenses during the sabbatical and to provide interim ministry.

Pastors and Full-Time Paid Staff Responsibilities:

1. To present a sabbatical plan to the church board for input and approval at least six months prior to the planned date.
2. To present the board-approved plan to the district superintendent.
3. To provide a contact source to the church secretary.
4. To share the highlights of the sabbatical with the church upon completion.

Important Sabbatical Preparations:

1. To establish lines of authority while pastor is gone.
2. To delegate pastor's day-to-day responsibilities.
3. To establish procedures for dealing with any crisis (conflicts, counseling, deaths, etc.)
4. To properly compensate interim pastor/pulpit supply.

Suggestions for Sabbaticals:

1. Continuing education at an accredited institution (SNU would provide a cost-effective program.)
2. Master of Ministry or other courses that may be offered.
3. Traveling sabbatical to visit other churches and get some fresh ideas.
4. A retreat area where prayer and a planned reading program could take place.
5. Attendance at various short-term seminars in area(s) of need.
6. A trip in the U.S. or abroad to a spiritual renewal center.
7. To encourage local church participation in this program, the district will provide a cabin or a room for a week at Camp Arrowhead.

District

1. That the district accepts and adheres to the "Funding the Mission" formula and percentages adopted by the General Board in 2009.
2. That the district ministerial staff be given paid vacation on the basis of total years of service to the Church of the Nazarene as specified in the local recommendation, Item 17.
3. That with the intent of building a positive morale and team spirit, we strongly urge that the Nominating Committee give careful consideration to the placing of pastors and laity on ballots for district boards and committees those individuals whose churches have paid all funding allocations in full. A grace period will be allowed for one year. For crisis and special situations, a committee of three appointed by the district superintendent will provide for those exceptional situations. This committee will not include any church member whose church has not paid funding allocations in full.
4. That the West Texas District operates on a 12-month year for the 2019-2020 district fiscal year, with this church year ending February 29, 2020.
5. That the mileage allowance for auto expense for district boards and committees shall be 45¢ per mile and other travel expenses properly authorized. These reimbursements are for special called meetings not consummated with other district functions.
6. That General Assembly delegates and General Convention delegates (NMI, NYI, and SS) be paid for travel, food, and lodging. If two people from an immediate family (husband and wife, or parents and child sharing a room) serve as delegates to a General

Convention or Conventions, the expenses shall be shared equally by the auxiliary organizations. If two people from an immediate family are elected to a General Convention and to the General Assembly, the delegate to the auxiliary Convention shall receive 50% of the designated convention delegate expense. If a person is elected as a delegate to more than one convention and/or to the General Assembly, they will choose which one they wish to serve, with the exception of a district department head (NYI president, NMI president, or Sunday School chairman). An alternate will serve in the vacated position.

7. Actions by the District Advisory Board and approved by the District Finance Committee have established the following General Assembly/Conventions expense schedule (or, to be determined for the 2017 General Assembly/Conventions):

| | |
|---|------------|
| General Assembly Delegates | \$2,500.00 |
| General Convention Delegates | \$1,700.00 |
| Second person of a family elected to a Convention | \$1,000.00 |

NOTES: (1) If a person is required/expected to participate in meetings prior to any of the conventions, an additional \$200.00 will be allocated.

(2) If a person is elected to the General Assembly and also serves as a department head, i.e., SSM Chairman, Children's Ministries Director, Adult Ministries Director, NYI and NMI Presidents, he/she will receive \$2,500.00 for General Assembly and \$1,000.00 as department head.

(3) A maximum allowable per family will be \$3,500.00.

8. That the proposed District Unified Ministries Fund be adopted for 2019-20 as follows:
