

VESTRY NOMINATIONS

The Vestry along with the Rector comprise the leadership of the parish. A vestry member's primary role is to help define and articulate the mission of the church, to support the church's mission by word and deed, to pray, to ensure effective organization and planning, and to manage resources and finances. In addition, Vestry members will be assigned to projects or teams to further the work in keeping St. Timothy's on track with God's plan for our future. Vestry members are elected by a vote of the congregation at our Town Hall town hall meeting in October 2026. Any member of St. Timothy's may nominate a candidate for the Vestry, however all nominations should be made by the nominee questionnaire deadline.

There are several steps and requirements to this process: 1) Each nominee must meet the requirements and expectations listed below at the time of their submission and must have the submission of their name approved by the Nominating Committee. 2) The Nomination Form, completed Nominee Questionnaire, and photo must be returned to the Nominating Committee by Sunday, September 15, 2026. 3) Qualifying nominee names and application responses will be published prior to the annual meeting. 4) Nominations will not be accepted from the floor on the day of election to ensure all candidates have participated in the nomination process.
