

SPRING SEASON 2026

CHARGERS SOCCER CLUB – TAMPA

REGISTER NOW!!

Chargers Soccer Club of Tampa wants to give the game of soccer back to the players. Past generations learned to play the game on their own with other kids in the neighborhood or at school in these organized games. Today youth sports are overly adult controlled and influenced. It's difficult today for youngsters to have a pick-up game since the streets have too many cars, the sandlot now has a mini mall on it and parents are reluctant, with good cause, to let their child go blocks away from home on Saturday to play in a game on his or her own. The Spring Season Program is a way for us to give the game back to the players in the community. The club will provide the fields and the possibility of mixing playing levels and genders. It can be used to assist with player development, player identification and player selection. Mostly it is a chance for players to play the game for FUN of the game. It brings together children, parents, coaches, and volunteers. Soccer is the common language, and the soccer ground is an arena for social inclusion.

Training and Games will be at Benito Middle School 10065 Cross Creek Blvd. Tampa FL 33647 and/or New Tampa Community Park (NTCP) 17302 Commerce Park Blvd., Tampa, FL 33647 (This will be determined based on the # of players registered.)

Players will practice on Mondays, Tuesdays, Wednesdays or Thursdays (once a week) and play a game on Saturdays.

PLEASE KEEP IN MIND THAT THE SCHEDULE BELOW IS A TENTATIVE SCHEDULE
